Long-Awaited Lower Grade Report Cards

Edwin L. McCurry, principal at Woods and Carmelo Schools, last night presented the Carmel Unified School Board with a new pupil progress report system, the result of months of conferring with teachers from River, Tularacitos, Woods, Carmelo, Captain Cooper and Palo Colorado Schools. Heretofore, each school had had a different system.

The long report attempts precise definition of the teaching task for the teacher and the learning task for the child. It gives a running account of the academic development of each child during the year, according to the philosophy of individualized instruction.

Minor suggestions for simplified wording were made by the board. The new reports will be used along with parent conferences at the end of three periods in the year — November, February and May. They will be used for the first time the week of March 25 with parent conferences.

School Architect

The appointment of the firm of Keeble and Rhoda to prepare plans for a three-room primary unit for overcrowded Tularacitos School, was approved by the board.

It was reported that Bay School, built in 1889, to which an addition was added in 1964, was structurally unsound. The school is being used as a pre-school center run by Mrs. E. Doner under the Adult School evening program. The District has six months in which to replace, or rehabilitate, and may levy funds to do so, if necessary. A study session on housing was set for Monday evening at 7:30 at Brey Hall. The Bay School is owned free and clear by the district, it was further reported.

EDINN

The board passed a resolution, with Dr. Hilton M. Bialek abstaining, (1) that the functions of the County Office of Education and the Title III Supplementary Center (EDINN) be clearly distinguished and defined.

(2) That the organization, staffing and responsibilities of the staff of each of the forenamed units be made explicit, separate and public.

(3) That a separate chief administrator for each of these two units be a full time qualified professional educator.

County Supt. Ed Coffin has served as administrator of the center designed to promote educational innovation, without salary, and was responsible for applying for federal funds to get the center started. The county board will meet to consider several such resolutions next Tuesday morning at 9 o'clock at 132 W. Market St., Salinas.

NDEA Grant Application

The board approved the application for up to $90,000 for instructional supplies and equipment from the National Defense Education Act. It was expected by Supt. Dr. Harris Taylor that about one third of this or $30,000 would be granted, of which one half would have to be matched by the district.

When asked why he was applying for so much, he replied that this was the way "the game was played."

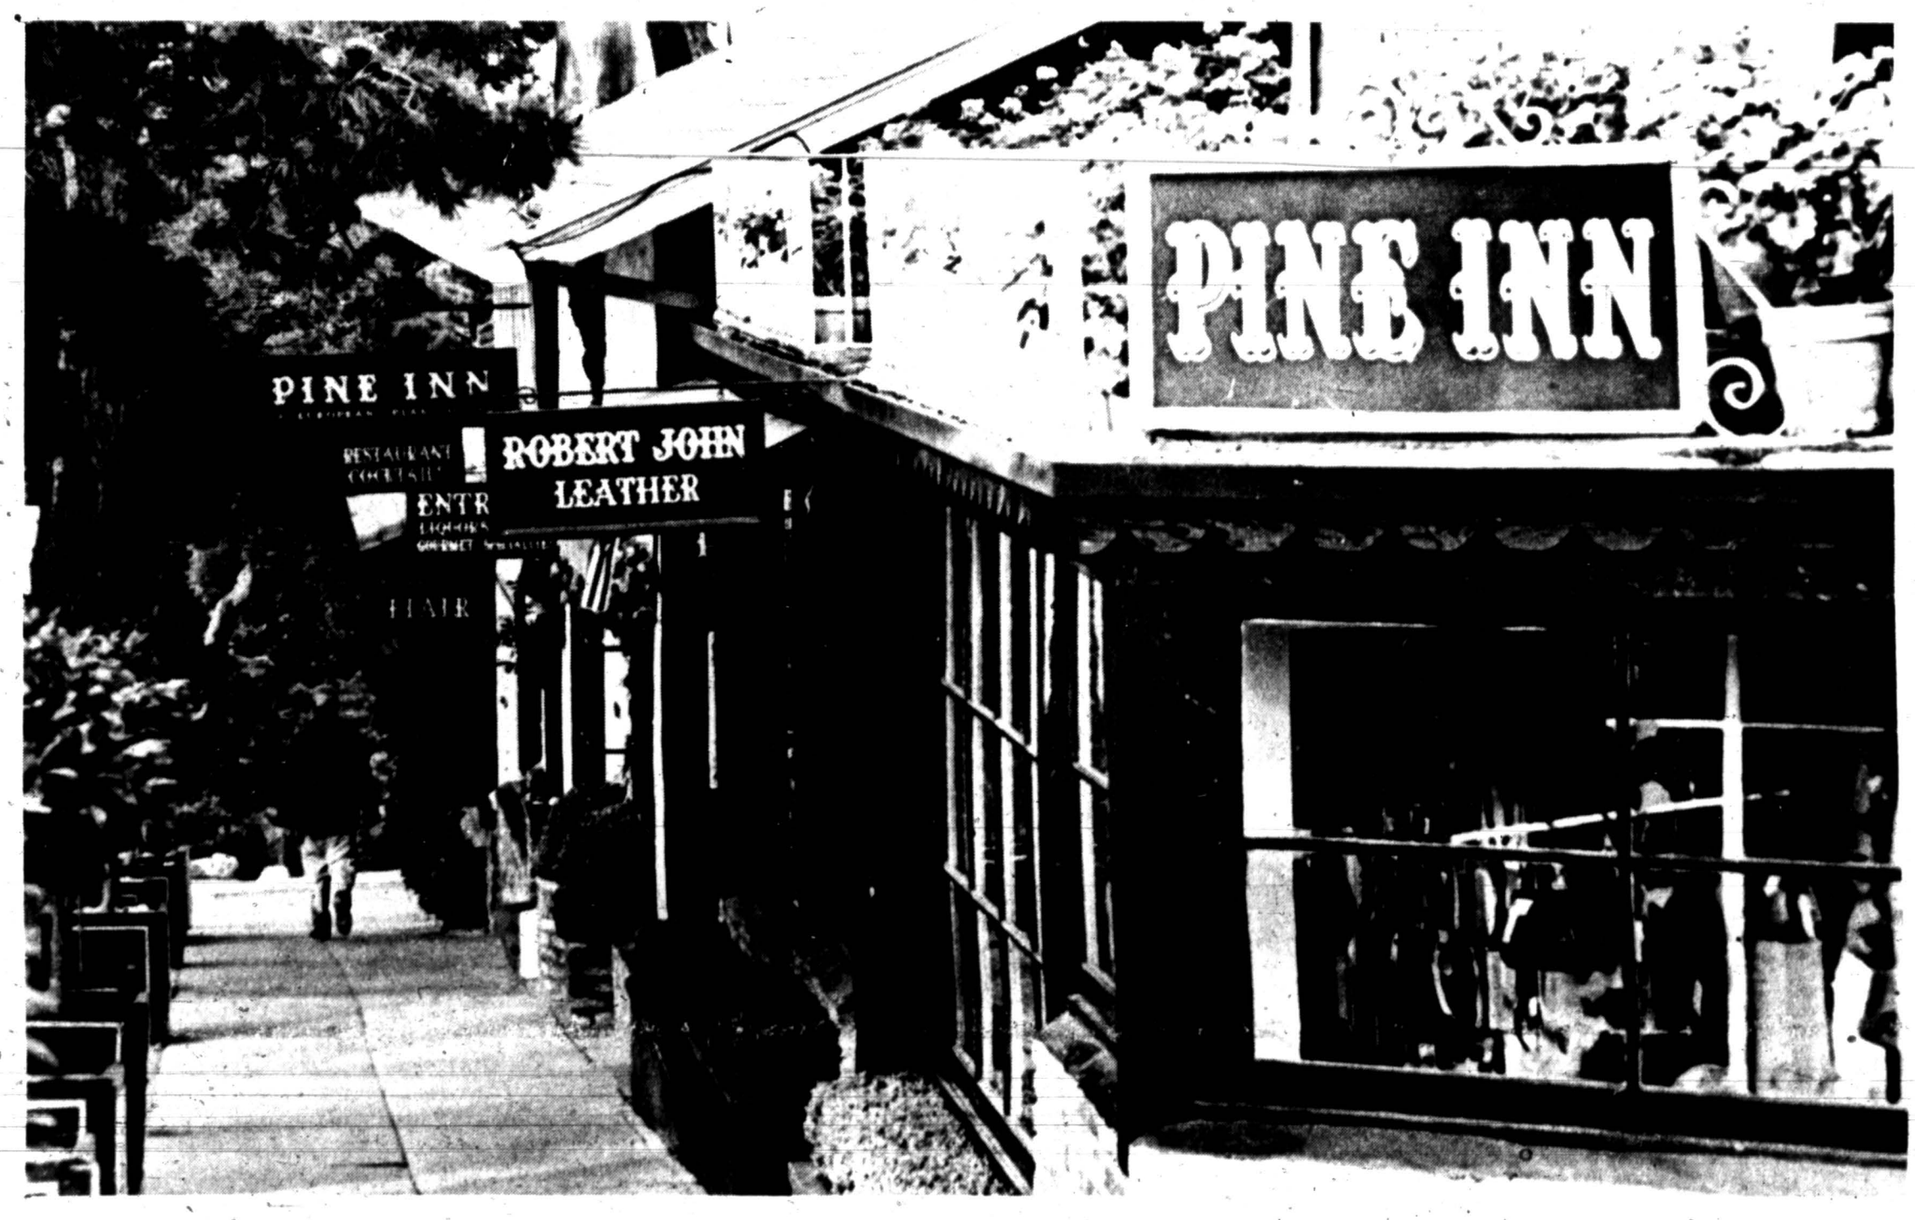
Walter E. Hinton, business manager, was authorized to advertise for bids for health, athletic and custodial supplies for 1968-69.

Teacher Negotiating Council

The newly-formed teacher negotiating council requested and received permission for a trial period of a year, to make its own decisions regarding teacher arrival and departure times, with the understanding that all responsibilities would be met.

Etheyln Eikenberry, Carmel High School English teacher, was granted permission to take a sabbatical one year's leave of absence to travel and write, starting in September.

Next regular meeting of the board will be March 27.



THE PINE INN BLOCK—The Pine Inn itself is grand in its Victorian and Edwardian elegance. The original hotel, expanded into the present Inn, from its very beginning in 1903 entertained graciously the passing nobility and the common man. Today the Pine Inn seems as indigenous to Carmel as the cypress and the shore. Adding to her place of prominence in community living, shops, tucked into the tight perimeter of her confines, make up the Pine Inn Block. Each shop has provided a proper setting to best display their wares. Each is distinctive and all take pride in the quality of merchandise offered—even the Bank. To name one or more of the shops without describing all of them would be an unjustified discrimination. Window-shop around and through the court and know what makes the Pine Inn Block.

Controversial Journalist Hosts Movie

The Carmel Village Theatre expects to host one of America's most controversial journalistic figures, Felix Greene, Wednesday evening during the showing of his film, "Inside North Vietnam."

"Inside North Vietnam," a Washington D.C. weekly, Human Events, says, "is a potent puff piece on behalf of Ho Chi Minh's native country and his 'war of liberation' against the South."

Human Events went on to say that he portrayed America as indiscriminately bombing the Vietnamese people, a downright fabrication—even according to North Vietnam's own casualty figures.

The newspaper says that Greene referred to Ho Chi Minh as a "poet" and the "symbol of his people's passionate desire for independence from foreign rule."

The film will play at the Village Theatre beginning Wednesday, March 20.

Greene, an Englishman, is author of the well-known book, "A Nation of Sheep."

Buy Girl Scout Cookies This Week

HI 12

Masons attending Carmel's High Twelve Club are being treated to one of the best luncheon values on the Monterey Peninsula every Monday at Cypress Club on Lincoln Ave.

Along with the lunch and good fellowship, a tremendously interesting slate of speakers is being presented through Program Chairman Jim Scales.

Last week Gen. Jim Phillips kept his audience entranced with his vivid remembrances of the "Battle of the Bulge" and particularly at Remagen Bridge. Last Monday, Lief Erickson introduced Olaf Aamodt who related his experiences in dealing with world food problems. Next week, Professor Alex Albov of the Defense Language Institute will talk on his experiences during the Russian Revolution.

Candidates' Night

The Carmel Citizens' Committee announced that their "Candidates' Night" is set for April 4 at Sunset Theatre.

The committee is presently encouraging Carmel citizens and residents in the unincorporated area, to join the Citizens' Committee. There are no membership dues assessed, but voluntary financial contributions are necessary for operating expenses.

Middle School Parent Faculty Club Meeting Tuesday

Carmel Middle School Parent Faculty Club will meet Tuesday, March 19 at 8 p.m. in the Stuart Mitchell Library.

The program will be presented by the Creative Arts Department and will include a short orientation and information period after which the parents can visit individual classes participating in the program.

As in the past, the Creative Arts Department will display current student projects and participating students will demonstrate selected activities.

Calendar Of Events

Thursday, March 14

ANDOR CZOMPO, Hungarian Folk Dancer: MPC Armory at 7:30 p.m. No chg.

Friday, March 15

WORLD AFFAIRS, Russell Johnson, Southeast Asia. CHS Brey Hall at 8.

JAPAN LECTURE and slides: De Forest Sweeney, MPC Library Lecture Hall at 12 noon. No chg.

Saturday, March 16

EXPLORERAMA, Merriest England, Phil Walker, Sunset Theatre at 8:15.

Tuesday, March 19

MP SYMPHONY AND LEONARD PENNARIO, pianist, Sunset Theatre at 8:30.

Thursday, March 21

OTHELLO, MPC Players, College Little Theatre, 8:30 p.m.

Friday, March 22

GARY GRAFFMAN, Pianist, Sunset Theatre, Carmel Music Society.

S.F. SYMPHONY; Fairgrounds, Arthur Fiedler "Pops Concert."

An actual photograph of North Vietnam peasants repairing roads from Felix Green's new color film "Inside North Vietnam" which will have its County premiere at the Village Theatre March 20. Mr. Greene will be at the theatre on the opening evening from 7-9 p.m. The movie includes interviews with some of North Vietnam's leaders as well as a remarkable conversation with an American pilot.

"Othello" At MPC

Now in rehearsal under the direction of Morgan Stock, Shakespeare' s"Othello" is due for a series of performances at Monterey Peninsula College March 21-23 and 27-30, at 8 p.m.

Heading the student cast in the title role is actor John Hancock, who has long cherished an ambition to play the part of Othello.

Other major roles will be taken by **Nick Hovick,** a veteran of Peninsula little theaters, as Iago; Wendy Grissim, who was featured in MPC's fall production of "The Miser," as Desdemona; Ron Guillemette, who had the lead in "The Miser," as Cassio; John Rousseau as Montano; Bill Smith as The Duke; Oswald Godson as Brabantio; Conrad Selvig as Roderigo; Bob Aaron as Lodivision; Jeff Jennings as Gratino; Sylvia Razey as Emilia and Andrea Fernandez as Bianca.

Sets are being designed by technical instructor Bob Evans and built by stagecraft classes. Costumes will be prepared by Jene Miller of Carmel. Dave Allen i s stage manager.

Masters Concert

The following major works will be featured on the Masters Concert during the week of March 14, over KMBY FM (96.9 mc.) at 8 p.m.

Thursday, March 14: Mass No. 4 in G Major, "In Honorem St. Nicholas", Haydn; Symphony No. 4, Ives.

Friday, March 15: Symphony No. 5 in C Minor, Opus 67, Beethoven; Piano Concerto No. 4 in G Minor, Opus 40, Rachmaninoff.

Monday, March 18: Quartet in D Minor "Death and the Maiden", Schubert; Piano Sonata in C Minor, Op Post., Schubert.

Tuesday, March 19: Symphony No. 5 in C-Sharp Minor, Mahler; Piano Sonata, David Amram.

Wednesday, March 20: Horowitz at Carnegie Hall: Part One, Various Things; Symphony No. 59 in A Major, "Fire", Haydn.

Farewell Dinner Scheduled for Circle Director

Over 300 invitations to a farewell testimonial dinner for departing Norman McPhee, director-manager of the Circle Theatre, have been sent out by Mrs. Harry Graham, 1st vice president of the Board of Governors and Mrs. Margaret Phillips, one of the theatre's outstanding Golden Bough Players.

Mr. McPhee has been the director of the Circle for the past three years during which time he produced 20 highly varied productions.

The director gave his notice of resignation to the Board on January 29 and plans to leave the Peninsula on April 30 the night following the opening of his final production, "A Delicate Balance."

The dinner, preceded by a cocktail hour, will be held at the La Playa Hotel on Thursday, March 21.

CHRISTIAN SCIENCE RADIO PROGRAM

"You Don't Need to Be Afraid" is the title of the program to be heard this Sunday morning on the Christian Science radio series "The Bible Speaks to You." It will be heard over station KGO at 7:30, KRML at 7:45 and KDON at 8:45.

There will be a lively dialogue concerning the many fears that are built up in today's society and how the Bible offers insurance against them.

TRAVEL TAX COMMENT

"It is hard enough for increasing numbers of Americans to accumulate the extra money to finance an excursion to a foreign country without having to pay the government for the right to make the trip."

Keller Lands Second Movie

Only months after his first part in Elvis Presley's movie "Stay Away, Joe," local actor-director Mike Keller landed another part in Presley's latest film "Kiss My Firm, But Pliant Lips."

Mike, known most recently to the Peninsula theatregoers as Elwood P. Dowd in "Harvey" at the Circle Theatre, was telephoned by Producer Douglas Laurence at his home in Carmel. Mike told us that when he answered the phone, the person at the other end said: "This is Douglas Laurence and I have a part for you in the next Presley movie. If you want it, it's yours!" Needless to say, Mike's response was "Sure!"

Laurence mentioned during the conversation that Mike didn't have to "try-out" because he had been satisfied with Mike's performance in the last movie, which by the way, will be released in the South today. "It should be out here in a month," Mike said.

Mike was cast as an Art Director in an advertising company headed by Rudy Vallee. He said, "The only other part which has been cast thus far, has been that of Rudy Vallee's." Presley will portray a free lance photographer. "By the way," Mike said, "There are lots of pretty girls this time . . . most of which are models."

CARMEL SCENE . . .

A young man trying to thumb a ride on Ocean Avenue—sitting down for his hitchhiking exercises.

Theatre Review

OUR MOTHER'S HOUSE, the new MGM presentation unfolds a moving, compassionate and stirring human drama, touched with both pathos and humor. Heartbreakingly real and enriched with beautiful performances, starring Dirk Bogarde and a group of remarkable juvenile performers.

* * *

JULIET OF THE SPIRITS, stars Fellini's talented wife, Ginlietta Masina in the title role. They both gained international recognition in "La Strada" in 1954. Critics have called the film one of the most dazzlingly beautiful ever made. It reveals the emotional turmoil of a lonely woman through her dreams, apparitions, visions and fantasies.

* * *

MAROC 7, using her position as editor of a high style fashion magazine for a front, Cyd Charisse has become a highly successful international jewel thief. The undercover agent on her trail is Gene Barry.

* * *

LAST CHALLENGE, Glenn Ford stars in mediocre western about fastdrawing gun slingers. Able direction of Richard Thorpe does not overcome limitations of plot and dialogue.

* * *

GENTLE GIANT, while playing in a forest preserve, seven year old Mark comes upon a bear cub and its mother.
Unseen, Mark watches three poachers kill the mother and carry away the cub. Then he finds the shed in which the animal is held captive and secretly visits and feeds his new found friend, whom he names Ben.

* * *

GUESS WHO'S COMING TO DINNER, Spencer Tracy in his final work and last teaming with Katherine Hepburn. Poitier's performance capped a remarkable year for him.

* * *

BONNIE AND CLYDE, dazzling slapstick style treatment of saga about robbing group in the Southwest of the 30's, leaves one entertained but not much wiser about them. Gore and sensualism intrude. But the cast is fine.

* * *

THOROUGHLY MODERN MILLIE, Carol Channing steals the show playing an eccentric wealthy widow, but also around to help in this comedy of the 1920's are Julie Andrews, who is delightful, James Fox, Bea Lillie and John Garvin. Some of the songs are from the period.

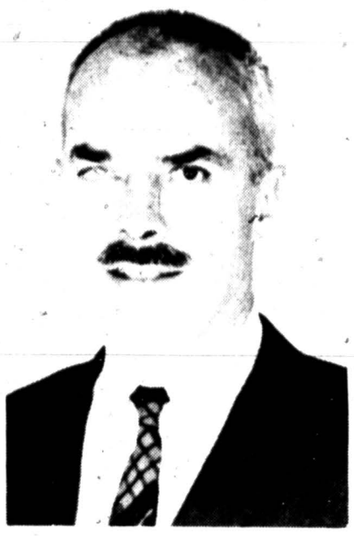
CANDIDATES FOR ELECTION

Eben Whittlesey – City Council



The major problems facing Carmel today are complex. Their solution calls for an imaginative approach tempered by experience. They will not be solved by purely negative thinking.

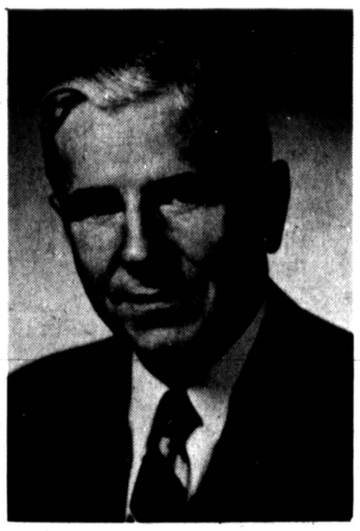
Having acquired the Sunset Center at the express direction of the voters, the city must develop its use for the primary benefit of our own citizens. The ballot measure concerning Sunset zoning must be approved by the voters if our efforts in this direction are not to be frustrated for some time to come.

The Planning Commission and City Council have long sought an effective control over transient accommodations in the residential district. The ballot measure dealing with these tourist accommodations must be passed if we are to prevent the spread of commercialism in the residential district.

Proper use of hostelry tax funds set aside for greenbelt acquisition must not be delayed. Continued improvement of zoning enforcement is essential to prevent speculative builders from creating cheap and tasteless structures. A satisfactory level of municipal services can be maintained without raising taxes only if experienced councilmen are dedicated to this important objective.

Continued professional attention must also be given to preservation of Carmel's characteristic trees, threatened by age and disease. The welfare of our residents requires that we prevent second rate businesses from taking root, and that commercial development shall not be wholly dominated by tourism. My eight years of experience on the City Council, including two years as Mayor qualify me to work for these objectives.

Frank Falge – City Council



As your Carmel Councilman, I would have time to devote to solving Carmel's problems, to provide an efficient, effective City Government. I would work for minimum taxation — with especial consideration for citizens on fixed incomes.

Cooperation, organization and imagination are much needed attributes which I will bring to the City Council. My 35 years in business and service provide valuable experience in managing, organizing, planning, promoting and working cooperatively with associates and other organizations.

As a Carmel property owner for 18 years — and a resident for 8 years since retirement from business— and a Director of the Carmel Citizens Committee—I have participated actively in Carmel affairs.

As a Sunset Cultural Commissioner, I take pride in the transformation of a badly run-down school into an exciting, attractive Community Cultural Center—at minimum cost.

Sunset regulations **prohibit** "commercialism" such as retail stores. These strict rules would preclude operation by a commercially oriented group. I favor continuing City operation. I heartily endorse Sunset Rezoning Ordinance No. 158, Ballot Measure No. 2.

Carmel Citizens should vote "Yes" for Ballot Measure No. 1, Ordinance No. 156, to "positively prevent" further expansion of inns and motels in the R1 Residential Area. Present Ordinances are either inadequate or ineffective to stop this expansion. Ordinance No. 156 provides adequate safeguards and restrictions to prevent the rebuilding or expansion of "commercially modern" motel buildings, as stated by Ordinance opposers.

If Ballot Measure No. 1 is not passed, this Ordinance can not be introduced for a year, which would make the present situation far worse.

In all decisions made by the City Council, I pledge primary consideration to the best interests of **all** Carmel citizens — and to "KEEP CARMEL—CARMEL".

Carl Bosholm – City Council

I was born, reared and attended schools in Iowa and during World War II, I served as Field Director for the American Red Cross. I was in charge of all supplies moving into Japan.

My business background includes insurance, printing equipment salesman, real estate and motel owner and operator.

My civic affairs include: president of Y's Mens Club; Counselor at YMCA camp; YMCA Board member; Scoutmaster; Chairman of Boy Scout Committee; Sunday School teacher; Chairman of Church Board; Chairman, Carmel Chapter of American Red Cross; President of the Carmel Motel Association; President of the Carmel Business Association; and member of the Board for Monterey Visiting Nurses Association.

I have been married 41 years and have two children and six grandchildren.

It is my conclusion that all residents of Carmel desire similar end results; therefore, we need greater unity and harmony. To accomplish this, my efforts are dedicated.

I feel the Council has studied the Motel and Sunset Ordinances long enough and I back them in their actions.

John Rennels – City Treasurer

I, John Rennels, am qualified to continue to serve the City of Carmel as its City Treasurer based on the following facts:

1. My record in office as the incumbent City Treasurer.

2. Education: a degree in Business Administration from the University of Illinois.

3. Business experience: Three years as Accounting Supervisor with the home office of a Transamerica Financial Corporation. Five years as a Federal Examiner of Savings & Loan Associations in western United States. Fifteen years with the Carmel Savings & Loan Association, present position of Vice President.

4. My personal history: During World War II served as Air Force pilot with 72 combat missions. Long time resident of Carmel and home owner; wife, Ruth "Sis" Rennels; two children educated in Carmel Schools, John Jr., a freshman at Chico State College and Susan, a senior at the University of California in Santa Barbara. I am past treasurer of the Carmel Lions Club, Carmel American Legion, and the Monterey Bay Golf Club. I have been active in Carmel Cub Scouting and have supported Carmel Little League and Carmel High School Boosters Club.

My life long experience in accounting and auditing of financial organizations qualifies me to continue to serve the citizens of Carmel in the handling and investing of Carmel City Funds. I, therefore, solicit your suport in this election for City Treasurer.

Bernard Liaolo – City Council

Although I'm a native San Franciscan, I found the Carmel way of life more to my liking and so for the past 21 years, this has been my home.

In this time, I have been fortunate enough to have raised three fine sons: Tony (19), Chris (17), and Linder (16)—all educated in the Carmel School System.

I am an established business owner and electrical contractor and feel that my background will be helpful in working out tax and management problems.

My first six months were spent building my shop on Mission and Fourth St. in Carmel which came to be known as the Village Radio Electric Shop.

I have served as past president of the Carmel Little League and I am currently on the Board of Governors of the Community Theater, treasurer of the Carmel High School Parents' Club and a two year member of the Planning Commission.

My association with the Planning Commission has given me a great insight in matters of Carmel's present and future expansion.

Full cooperation among all members of the City Council is essential for a sound and prosperous Carmel. I submit my record to you with the knowledge that you will consider it and vote for me in the coming election, April 9.

Gunnar Norberg – City Council

Full acceptance of the forthright words which have stood at the head of Carmel's zoning laws for nearly forty years—and which stand there still—can be all the platform which a candidate for the Carmel City Council, could require. It has been mine through the years I have served as a City Councilman, and it will continue to be in the future. Sometimes only lip service has been given to the words in the preamble of the Carmel zoning laws. As many of you may recall, I have tried again and again to give real meaning to the words, and I will keep trying in the future. Here are the words:

"The City of Carmel-by-the-Sea is hereby determined to be primarily, essentially and predominantly a residential city wherein business and commerce have in the past, are now, and are proposed to be in the future, subordinated to its residential character . . ."

On next month's city ballot on which my name will appear as a candidate for the City Council, you will have two important chances to help keep Carmel the "residential city" which the words just quoted, say it should be. You can, and I sincerely hope you will, vote "no" against both the Sunset ordinance and the Motel ordinance. As you know, mine was the only vote against these ordinances when they were before the City Council, and I strongly urge everyone to vote "no" against them on the ballot, Neither ordinance is needed and both pose grave threats to the residential character of Carmel. In the limited space given here, there is no room to go into detail about this, but I will try to explain to anyone who may wish to ask.

With regard to the Sunset Center, it is my belief that the voters overwhelmingly approved its purchase because they wanted to see it used as Carmel's own special kind of civic center. This means the rooms can be used for city officers or other city activities or for local club meetings; the north playground for playground purposes; the gymnasium for gymnasium purposes; the kitchen-and-cafeteria for social purposes; the auditorium for long-established cultural purposes.

Hugh Bayless – City Clerk

Despite the lack of opposition for my office of City Clerk, I feel it is important that I assure the electorate of Carmel of my continuing dedication to my work. I intend to do everything in my power to keep Carmel's city-family the same smoothly working organization that it has become. I shall continue to do all I can to give the taxpayers of Carmel the most effective municipal services for the least possible cost.

Since I first came here fifteen yars ago, I have seen many changes and I am sure I will see many more. I think the important thing is not attempting to prevent change (there will be change whether we want it or not) but our trying to control change so that we do not lose the things we value and hold dear. I shall continue, as I have in the past, to do all I can to control change so that the things we value are protected.

On the ballot for the April election are two measures, one on Motels in the Residential District, the other on the Zoning of Sunset. My hope is that the voters of Carmel will vote on these two issues from knowledge and not hearsay, from considered judgment and not emotion.

Finally, I must thank all of the citizens of Carmel for letting me have the privilege of serving them for these past five years. It has been the most rewarding experience of my life and I want it to continue.

Spears Ruskell - City Treasurer

For 33 years I have been a resident of Carmel and property owner, and during these years I have tried to show my appreciation by serving our Youth and the City in many ways.

For 10 years I was an active member of the P.T.A. as well as a member of the Carmel Police Reserve for another 10 years.

For 5 years I was active in Scouting, I became Cub Master of Pack 107, Church of the Wayfarer. In 1962 I was appointed by the Mayor to the Recreation Commission, and later became Chairman. For 23 years I have been a member of the American Legion Post 512 and for 2 years was Adjutant.

The late Mr. Sam Coleman was a Banker for 40 years, and between Carmel and King City he was a top City Treasurer for 25 years. I ran twice against Mr. Coleman and came in with a high score, and on one occasion alone I was 75 votes short of passing Mr. Coleman. At the present time Carmel does NOT HAVE AN ELECTED INCUMBENT, the past two people have been appointed by the City.

Procuring top interest rates is the big assignment, this I can do, for I know where and how to invest with the greatest protection and safety. At Rosse's College in Dublin I majored in Banking and Commerce.

I have a wife, 2 sons and a daughter, John is at Foothill College, Rodney graduates this Summer from Carmel High, Paul the following year, and Stephanie the next.

Candidate for City Council, Fenn Horton was out of town and not able to be reached in time for his platform to be published. Watch the Pine Cone next week for Mr. Horton's picture and article.

Harriet Duncan (above) celebrates her 20th year in business at the same location in Carmel. Mrs. Duncan, who came here from San Francisco, wanted "to live in the country . . . we could see the hills, then, from the shop." She pointed out "Our customers have been wonderful, and we appreciate it."

Richard Bragg, a Carmel resident and public relations specialist, will present a 20-minute humerous talk loaded with ideas for business people at the meeting of the Carmel Business Association at the Carmel Valley Golf and Country Club March 21. Bragg is now the secretary-manager of Monterey County Industrial Development. New members to the Carmel Business Association are: Bettie's Secretarial Service; Beverly's Carmel Florist; Carmel Rancho Florists; I. D. S. (Mutual Funds); The Paper Bag; Theatre News Magazine.

Invited to Science Congress

Carmel High School student Timothy G. McCarthy has been selected as a participant in the Youth Science Congress at Ames Research Center, Moffett Field, California, on April 17-19.

All expenses for Timothy's trip will be paid by Youth Science Congress.

Girl Scout Cookies Sale

Girl Scout Birthday Week ends this Saturday, March 16, along with the annual fund raising project, the Girl Scout Cookie Sale. This sale, along with the calendar sale in the fall, are the two fund raising projects the Girl Scouts have each year. The cookies benefit not only the troops but is the only fund raising project for the entire council.

If you haven't been contacted by our girls in Carmel in their door-to-door sales and would like to help us by buying cookies, please call the Carmel cookie chairman, Mrs. O. C. Baker at 624-6314.

Singles Dance

Monterey Bay Singles, an organization of single Peninsula men and women in their twenties and up, is sponsoring a St. Patrick's Dance, **March 16th.** An added feature will be a dance class between 8:00 and 9:00 p.m. Dances are held each month at a private club and members and guests are invited. Those interested in joining the group should call 372-1468 or 372-1711.

In addition to the group's dances the first and third Saturdays of each month, it sponsors a bowling team and supports other activities such as bridge and pot luck dinners.

Second Annual SPCA Auction

Dog beds, two silver fox furs, a folding wheel chair, a waxer, a broiler (almost new), a German make hammer (in excellent condition and very shiny), and a Singer sewing machine with all the attachments. And a pair of boxing bloves.

All these items, plus many more in the line of clothing, household furniture, jewelry, picture frames, luggage and a doll complete with wardrobe will be available for the early birds at the Second Annual SPCA Rummage Sale on Saturday, March 16 at Monterey County Fairgrounds. Sale starts at 10:30 a.m.

Pick-up chairman may be called at 372-0586 or 375-7715.

The sale will further the humane activities of the SPCA and assist the establishment of the new Animal Welfare Center at La Vega Verde, located opposite Laguna Seca racetrack on the Salinas Highway. Ground has already been broken for the county-wide facility and occupancy is not too far away.

Not To Be Missed

The thousands of yellow daffodils lovingly planted by Mrs. Dudley Swim for the enjoyment of people driving the Carmel Valley Road, are in full bloom. The Swims' ranch, Druid Hills, where the flowers are blossoming, is opposite the Middle School. The short drive out the Valley Road is well worth the time, as the sight of the banks of nodding flowers is unforgettable.

Former Resident Narrates Explorerama Film At Sunset

Philip Walker, photographer and narrator of the color film "Merriest England," the next in the Explorerama series, hails from Carmel where he spent his boyhood years.

Walker recalls his days on the Peninsula as "an intimate friendship with the out-of-doors and an introduction to adventure." In his early years he spent a great deal of time camping in the California woods, fishing and sailing.

World War II interrupted plans for travel and experiments in education. Walker became a ship's deck officer for the Army Transportation Corps in the Southwest Pacific. His wartime services included sailing a 75-foot sea-going tug through mine and enemy infested waters from Sydney, Australia to Cebu City in the Philippines.

The voyage lasted several months and the adventures encountered along the Great Barrier Reef and New Guinea helped to qualify him to become a travel film producer and lecturer.

Philip Walker studied drama and had been an actor in Carmel's Summer Theatre. Following World War II he joined the National Broadcasting Company as an announcer. He subsequently wrote and directed for NBC and produced his own independent programs for television. International news, geography and exploration, as well as music, were Mr. Walker's fields. He originated a public affairs discussion program in San Francisco which is still on television.

In 1961 Phil Walker flew with two Swiss from Switzerland to Italy and became the first American to cross the Alps in the basket of a free floating balloon. The Natinal Geographic Magazine printed his story of this extraordinary flight, "Across the Alps in a Wicker Basket."

The Walkers, during the rare periods when they are not traveling, now make their home in San Francisco.

Former Carmel resident Philip Walker shoots footage in an English pub during his filming of "Merriest England" which will be presented at Sunset Center Saturday, March 16 at 8:15 p.m.

New LWV Members

Recent new members of the League of Women Voters which has been looking into the county aid to needy program, are Mrs. Richard A. (Beatrice) Hill, Mrs. Mary White Miller, Dr. Helen Raymond Smith, Mrs. Stella J. Thomasburger, Mrs. Helen Cowan Wood, all of Carmel, and Mrs. Thomas E. (Nancy) McCullough.

Members expressed the belief that to be effective and to eventually reduce welfare costs, welfare must include rehabilitation programs to help people "break out of poverty." Just handing out money to the needy was seen as shortsighted and expensive.

Rehabilitation must include considerations of health and education as well as job training if it is to help reduce the need for welfare, members felt. Rehabilitation should also include programs to educate parents to become better parents. The disadvantaged need to experience successes early in life to overcome the discouraged attitude which results from too many failures and which leads to permanent dependency.

FREE!

Two Free Booklets On Weight Reduction

Want to take the hunger out of your diet with this sensible approach to weight reduction? If your present reducing plan leaves you "half starved" between meals, lacking the vitality you want and need, with feelings of mental and physical exhaustion — there's an easy-to-follow, low-calorie diet just for you.

The nutrition authorities of National Dairy Council have prepared two companion booklets "The Food Way to Weight Reduction" and "Your Calorie Catalog Accenting Protein." With these as your guide, you can take off the pounds and keep them away.

Start controlling your hunger instead of your hunger controlling you.

The booklets are absolutely free. Simply fill in and mail the following coupon. Do it today.

Pennario Appears With Symphony Tuesday

A program with appeal for all Carmel concertgoers will be presented on Tuesday evening, March 19, at Sunset Auditorium by the Monterey County Symphony Orchestra.

Conductor Jan deJong describes it as, "A rich variety of musical fare that should show the orchestra at its best and provide the audience with a performance calculated to be stimulating and refreshing."

It will open with Rossini's operatic overture to "Semiramide." Then the scene switches to a contemporary composition by Elliott Carter, "Elegy for String Orchestra," written in 1952, followed by the exciting suite from Stravinsky's "Firebird" ballet.

After intermission, internationally-acclaimed guest artist Leonard Pennario will pay "Piano Concerto No. 2 in C Minor" by Rachmaninoff. A great pianist himself, critics have noted that this concerto needs "a great mastery of the keyboard to effectively display the brilliant piano technique required by the coposition."

Penario's abilities as reviewed from round-the-world performances would indicate that Carmel audiences will have a rare opportunity to hear and see a true virtuoso of the piano.

Reservations for this exceptional musical event can be made at the Symphony Box Office located in Carmel's Sunset Center or by calling 624-4125.

As an added bonus, contributors to the Monterey County Symphony Association have been invitd to a special preview performance of this concert. Anyone who would like to attend this invitational affair can obtain additional information at the Symphony Office.

OBITUARIES

Gertrude Morehouse: Services were held recently for Mrs. Gertrude Morehouse, former Carmel community leader for many years, in Walnut Creek where she and her husband had retired to live near their daughter, Mrs. Alice Nies, and two grandchildren.

She is survived by her husband, Ernest F. Morehouse, former Carmel realtor and surance man, who lives at Rossmoor Retirement Community, 2133 Golden Rain Rd., No. 3, Walnut Creek.

Mary Ellen France, Carmel resident for 25 years, died Sunday. Widow of the late Thomas France, she was born in 1877 in Massachusetts.

Winter On The Riviera

One of our subscribers, Mrs. J. C. Caldwell writes from Vicenza, Italy, "Our winter was spent in Cap d'Ail, sharing a villa with friends through Christmas and then moving on to Nice for January. It was a perfect winter weatherwise and the Riviera has never been more beautiful.

"We explored all the Maritime Alps where the rock strata and coloring is incredible. We saw canyons fully as beautiful as Grand Canyon only on a lesser scale, medieval towns that haven't changed in 300 years, and finally beautiful clear snow as we reached up into the ski areas.

"Nice was fully as rewarding and we covered it afoot and by car—Old Nice, Mt. Boron, Cimiez and the beautiful Promenade des Anglais."

Religion Not Free Under Communism

According to Rev. Blahoslav S. Hruby, native of Czechoslovakia, in his talk at Comunity Church Sunday evening, freedom of religion under Communism is largely a myth. As associate editor of the magazine **Religion in Communist Dominated Areas** published by the National Council of Churches, he is required to translate from all publications in Iron Curtain countries.

Before his talk, Evelyn Leiske Falconer gave an organ recital on the new Walcher organ, built in Germany, gift of Mr. and Mrs. Peter Dutchera. She commented on her program which included an improvisation by her teacher, Marcel Dupre of Paris. Mrs. Falconer is organist with the San Mateo Crurch and has toured with the Roger Wagner Chorale.

Mr. and Mrs. Joseph O'Brien

Jean McConnell Marries Again

The wedding of Mrs. Jean McConnell, Carmel resident for many years, and Joseph L. O'Brien, formerly of Seattle, took place recently at the Carmel Mission Basilica. The three o'clock ceremony was performed by the Reverend Juan Oronez.

Mrs. O'Brien was dressed in a beige silk lace ensemble with matching mink collar and rose beige hat with illusion veiling. She wore a corsage of white orchids.

She was attended by Mrs. Kay Holman of Carmel, and Mrs. Perry Dunsmuir, also of Carmel, was in charge of the guest book. Mr. Duinsmuir was best man and ushers were Herman Ayala, Charles Adamic, Carlos Brazil, Richard Bouvier, William Woolsey and David Hinckley.

Attending the punch bowl at the reception following at Mission Ranch were Mrs. Adamic and Mrs. Joseph Shea.

The couple will live in Carmel following their wedding trip to Los Angeles and Palm Springs. Mr. O'Brien's granddaughter, Cecilee O'Brien, whose mother is dead, will make her home with them.

Tri-Cornerites

Mr. and Mrs. John Margson Mills of Carmel became the parents of a baby girl, Tina Marie, on March 4.

In Carmel Valley, recent babies were Elizabeth Hall, born to Mr. and Mrs. Edgar Hall Colvin and Dana Tai Soon, a little boy born to Mr. and Mrs. Joseph James Burgess.

Point Sur parents at the Naval Facility there were Mr. and Mrs. Oscar J. Armond, to whom a son, Richard, was born.

Mrs. Tom Brown and Mrs. Donald Criley, Robert Louis Stevenson School mothers are shown with the huge flowers Mrs. Brown has been making to sell at the annual Bazaar which will take place this year, all day Saturday, at the school.

Robert Louis Stevenson School Bazaar Saturday

The annual Robert Louis Stevenson Bazaar put on by mothers of students, which always includes such exciting things will be no exception this year, according to Mrs. Robert D. (Georgette) Kelley.

Mrs. John Brock, Pebble Beach, president of the RLS Sponsors Club, will be in charge of the small, but very carefully selected antiques booth. This is a chance for collectors.

The Boutique will have some truly beautiful quilts. (One we saw was made of large silk squares donated by Talbot Ties). Mothers have been knitting and sewing for months for this event.

There will be fresh fruits, vegetables and nuts from local farms, and all mothers are contributing their favorite homemade breads, cakes, or cookies to the bakery booth.

The Pantry Shelf will offer home canned food, jellies, and jams, and the Candy booth, popular with the boys, homemade candy.

Mrs. James D. Hague, Pebble Beach, will head the serendipity auction, and again a color T.V. set will be auctioned, as well as other prizes.

There is no admittance fee any place along the way to the RLS Bazaar. Everyone is invited to and urged to come early before many of the amusing and delightful things are gone. Proceeds, of course, will benefit the ambitious building fund.

Delta Gamma Luncheon

All Delta Gammas are invited to attend the founders day luncheon at the Carmel Valley Golf and Country Club on Saturday, March 16 at 12:30.

New officers to be installed are Mrs. William Ballard, Carmel, for president; Mrs. Jack Miller, Pebble Beach, vice-president; Mrs. Douglas Leach, secretary; Mrs. Daniel Tarallo corresponding secretary; recommendations chairman, Mrs. Frank Hebert, Carmel; and Panhellenic representatives, Mrs. Hebert and Mrs. Leon Mink.

Mrs. Ballard is taking reservations for the luncheon. The wine tasting party to be held April 21 as a Delta Gamma blind project benefit will be discussed at the meeting.

Mi-Careme (Mid-Lent) Masked Dinner Dance

Last minute reservations are still being accepted for the Mi-Careme Masked Dinner Dance sponsored by the Alliance Francaise of the Monterey Peninsula to swell its French Language Scholarship Fund. Please telephone Mrs. John Dowdakin at 659-2356 or Mrs. Sean Flavin at 373-3978 for information.

The costume ball will take place March 21 at Casa Munras with a delicious roast beef dinner. Costume judges will be Mrs. Leonard Klene, Mr. Francisco Ferro, Mr. Ted Durein and the Master of Ceremonies will be Jean Varda of Sausalito, internationally famed artist. Special guests are the Allen Griffins and August Armanescos.

Participants do not necessarily have to be in costume but masks are required and will be sold at the door of this "gala". Lovely prizes have been acquired by Mrs. Henri Corbat for the most unusual, comic, authentic, spectacular and beautiful costumes. There is also a prize for a group theme. So please phone for your reservations right away The dinner dance is not limited to members, but there will be no tickets sold at the door. Mrs. Jerome Carlson and Mrs. James Hathaway are co-presidents of the local Alliance.

Modern Dance

Ken Hicks, the son of Mr. and Mrs. John K. Hicks of Whitman Circle, is appearing in a modern dance program at Grinnell College, Iowa. Ken is a junior, majoring in drama.

George T. C. Smith photo

Diena Farr and Robert Street, Jr.

Diena Farr Engaged To Robert Street, Jr.

Mr. and Mrs. John W. Farr of Carmel are announcing the wedding in August of their daughter Diena, to Robert W. Street, Jr.

Diena and Bob met when they were attending Monterey Peninsula College while his parents, Lt. Col. and Mrs. Robert W. Street, were stationed at Fort Ord. Now retired, they live in Lawrence, Kansas where Bob was born and brought up.

Carmel High School graduate in the class of 1963, Diena later earned her music degree from Chico State College in 1967. She is now doing graduate work in education and will receive her teaching credential in June.

She is affiliated with Kappa Delta Pi, honorary educational society, and the student chapter of California Music Educators.

Diena's brother David is working on his doctorate in mycology at the U. of Michigan. Her sister Kathy is an Art major at San Jose State College. Her grandparents are Mr. and Mrs. F. C. Heise of Minden, Nevada.

Bob is now with the U. S. Air Force, stationed at Myrtle Beach, South Carolina. Depending on Bob's orders, they plan an August wedding at the Community Church of Monterey Peninsula where John Farr is choir director.

League of Women Voters

League observers of local planning commission and other meetings will address the next general meeting of Peninsula members at a 12 noon luncheon at Monterey Youth Center. Call Mrs. B. Van Horne 624-2345 or Miss Whitcomb, 624-2592 for reservations. Open to visitors. There is babysitting available.

Carmel Art Modes

Art Auction to Benefit AA

Leading artists of the Monterey Peninsula will contribute their works for the Ninth Annual Beacon House Benefit Art Auction, April 28, at Holiday Inn at the entrance to Carmel Valley.

Plans for the fund raising event are under the direction of Donald F. Taugher, M.D., of Monterey and John Boit Morse of Pebble Beach, co-chairmen.

Assisting on the arrangements committee are Mrs. John Shephard and Mrs. Phillips Finlay of Pebble Beach, Mrs. Mary Clark Ross of Carmel and Mrs. Palmer Beaudette of Carmel Valley.

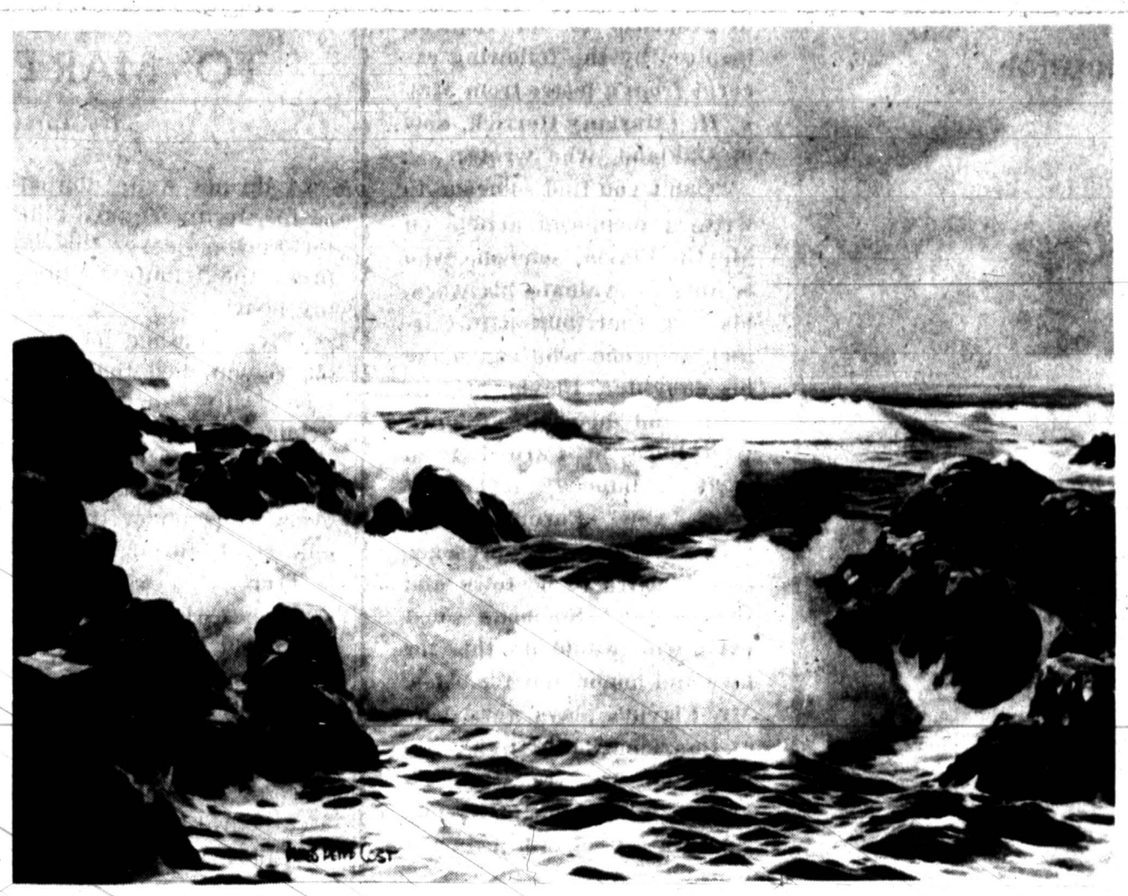
A noon luncheon will precede the Sunday auction of paintings and sculpture that annually attracts collectors and art admirers from the Monterey Peninsula and surrounding areas.

The event is the only fund-raising effort for Beacon House, the Peninsula's alcoholics, enabling them to rejoin society as responsible and happy members of the community.

"While Beacon House guests pay a moderate sum for room, board and care, additional funds must be obtained each year to keep its doors open to those in need," Dr. Taugher explained.

The Art Auction was chosen as a means of providing the donor with something of beauty and value in thanks for his support, Dr. Taugher commented.

Academy of Music
1137 Broadway
Seaside, Calif.
394-7356



"Promise of Rain" (24x30", above, by James Peter Cost is now in the private collection of Crosby winner Johnny Pott. At right is a special note on Peter Cost printed by "Impresario" magazine.

OF SPECIAL NOTE!

It is always gratifying when one's evaluation of an artist is borne out by subsequent acclaim and recognition. You can imagine our pleasure at receiving a communication from James Peter Cost (Impresario cover and feature story—August '67) in which he enclosed a note he received from an east coast patroness of the arts. In her correspondence with Mr. Cost, she informed him that artist Douglas Fox and the legendary piano virtuoso Vladimir Horowitz had endorsed his work.

Everyone is aware that Horowitz is one of the most formidable musicians around but what is not so well known is the fact that he is an astute private collector of art whose superb collection includes important canvases by Roualt, Manet, Degas and Picasso. His endorsement of James Peter Cost is high praise indeed!

Bazaar And Fair This Saturday

The annual Bazaar and Fair will be held this Saturday starting at 10 a.m. on the Stevenson campus. The usual fun and games, with a popular hot dog stand, will be featured, as the ladies put forth their best wares and homemade "goodies" in the main dining hall.

An auction, along with a fine selection of gifts (the sweater bar is especially popular) will be featured. The program is under the supervision of Mrs. Robert Kelley of Pebble Beach. Come early and bring the kids!

Victory By Speech Team

The Forensic team reached its highest point in the season as they made a tremendous showing in the last regular Individual Events tournament of the year this past Saturday at Gilroy. The team had 117 points to just place second behind the 40-man squad of Soquel with 123 points. 17 of the 42 final trophies went to RLS boys, and they dominated the three college-type events of Impromptu, Extemp and Oratory with almost a clean sweep.

Winners included: **Boys Extemp:** 1. Lonnie Foy, 3. Bruce Decker, 4. Eric Haas, 5. Jack Booth. **Boys Impromptu:** 1. Eric Haas, 2. Claude Wynn, 3. Joel Harris, 4. Robert Howard. **Original Oratory:** 1. Bruce Decker, 3. Robert Howard, 4. Joel Harris. **Oratorical Analysis:** 1. Mike Greene, 3. Claude Wynn, 5. Arlen Chase. **Humor: 3.** John Cann. **Drama:** 5. John Cann. **Oratorical Interp: 5.** Bill Kondrat.

Sport Teams Have Win, Close Loss And . . .

The swimmers, at home, took on Menlo this past Saturday and won 50-44 led by great swimming of team captain Pete Cowden (one of our speakers, too). First place winners included: David Haynes, Dave Inks, Jeff Smith, Dave Costello, Bruce Burrell and David Chapman. Others who placed included: Jim Shelton, Cavin Phibin, Al Jenkins, Ed Taafe, Jim Booth and Steve Stremmel.

Tennis: Bellarmine just nipped RLS with a 5-4 win as Ed Scott, Marc Haas and Ken Drummond won their singles matches with John Clancy and Marc winning the doubles. Others on Coach Jack Waltz's team included Steve Dart and Geoff Haynes.

Golf: Facing the champion Stanford Varsity last Friday was a real challenge for RLS as they dropped the match 9-0. George Kelley and Allen Yates each carded an 82 to lead the team that included Kurt Wolf, Jack Booth, Bill Hand and Don Dohmar.

Interact Proves Successful

Closing out the $1500 fund drive to build a school in Costa Rica through the Interact program, the club was able to raise the last $41 with a car wash this past Saturday at the Dean Litts gas station in Pebble Beach. Interact President Tom Gardner, with help from V. P. Casey Charles and Secretary Rick Johnson, led this program to a successful conclusion. Done in cooperation with Carmel Rotary (International) the club will sponsor a school (giving building supplies and books) and several of the boys plan to join Club Sponsor Will Shaad during Easter as they will visit the site of the new building. Johnson is from Costa Rica.

Pine Cone Printers Are Best

Up For Adoption

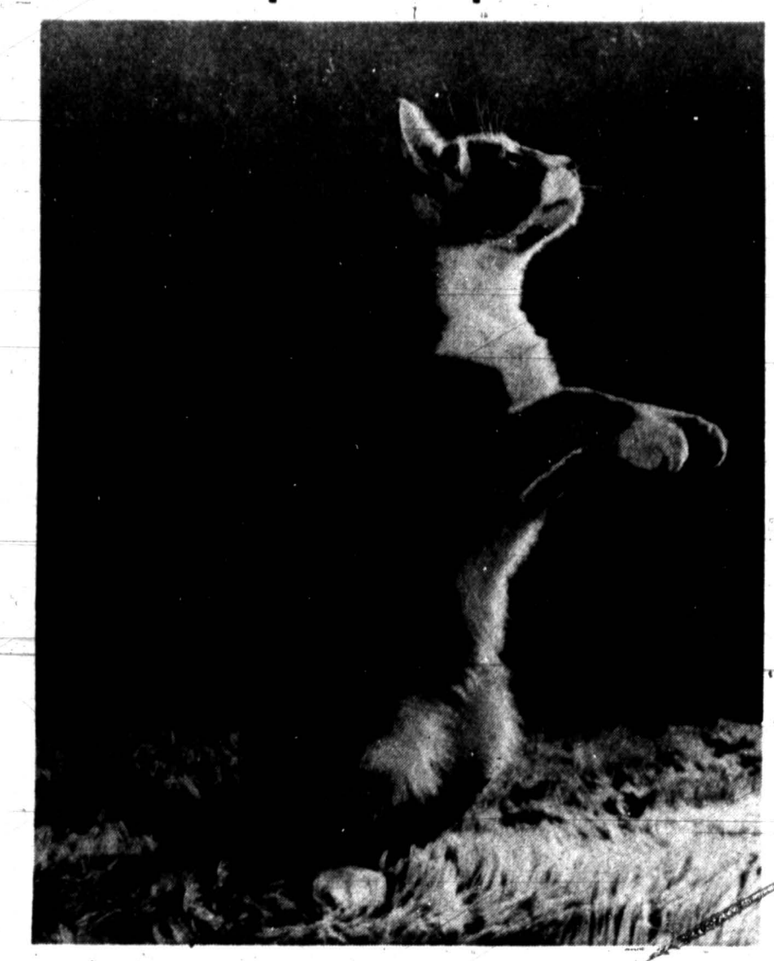

Photo by Louis and Virginia Kay

Three months old, male, grey and white and full of personality. His owners were moving and could not take him with them but he has obviously known love and a good home. Now he needs more of the same. He can be seen along with many other pets of all sizes at the SPCA Shelter, 2099 David Avenue in Monterey.

The item to the right was in response to our request, inspired by the following excerpt from a letter from Mrs. F. H. (Marian) Herrick, now of Oakland, who wrote:

"Can't you find someone to write a memorial article on Martin Flavin, someone who is able to evaluate his work, his long contribution to Carmel, someone who can make his daughter, Flavia, his son Sean and his wife Connie, who lived in Carmel from early childhood, feel that even "new" Carmel appreciates a man whose presence added lustre to he town and the setting? Someone must exist who would do this for love and honor, not for a fee. Mr. Flavin's plays were done at the remarkable first Golden Bough Theatre. His presence as a neighbor of Carmel tied all of us to a larger world."

Later on in the spring there will be a memorial service for Martin Flavin.

TO MARTIN FLAVIN

By Linda Sargent

I do not write obituaries. But when someone who seems, to my Yankee mind, to have been a capital letter Person, leaves this immediate scene, I like to express the tribute to him which comes most truly to my heart.

Five thousand feet up above the place where Martin Flavin died the other day there stands a liveoak tree. Daily, when I'm at Chews Ridge, I make a pilgrimage there, by my own secret little trail where only the Few are asked. You go between two baby Coulter pines, past Old Miranda whose widowmakers threaten every step, under the lowest branch of a fallen white-oak giant, through a patch of bracken . . . and there is Tree.

It is estimated that Tree is at least eight hundred years old. By many whims of wind and weather he has grown triangular, and each of his three sides measures more than 16 feet. Giant, he stands, many of his great limbs fallen, lopped and truncated. All bare bone. During this past year his head has left him, perhaps prophetically, and one of his broken arms is a cathedral spire.

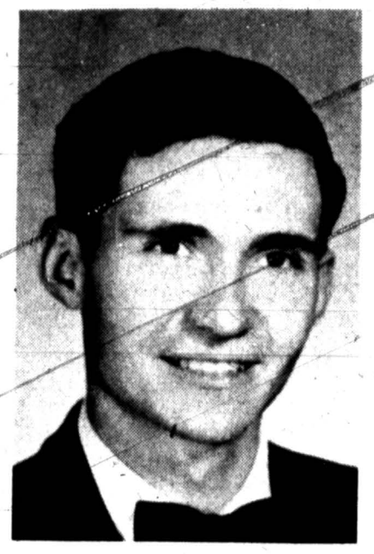
Enormous stone-hard burls are the wisdom of his age. His knobbled and knurled old knees kneel in the rich black loam he has created through the ages. All round him his children and great-great-great grandchildren suckle their blood from his leaf mold, his passion and his promise. His ancient integument, textured in beauty, staunch and furrowed, takes to itself the patina of all life.

Times when his world is still, he meditates. Times when the furious southwesterlies storm in from the sea below, he bellows in earthshaking laughter. With him I meditate. With him I bellow and laugh.

And far, far above my head when I visited him on the day of Martin's death, his leaves shone brightly in the winter sun, a lying of soft snow was about his feet, and he was still dropping the fattest and sweetest acorns in Los Padres National Forest.

This is, to me, Martin Flavin.

Dr. Foster New Veterinarian



Doctor Raymond Foster, a 1966 graduate of The School of Veterinary Medicine, University of California at Davis, joined the practice of Doctors V. J. Marasco and R. A. Ridgway here in Carmel.

He is married to a former classmate in The School of Veterinary Medicine. The Doctors Foster have one daughter, 4½ month old Jennifer.

PACIFIC GROVE

We may live without poetry, music and art;
We may live without conscience and live without heart;
We may live without friends; we may live without books;
But civilized man can not live without cooks.
He may live without books,
what is knowledge but grieving?
He may live without hope, what is hope but deceiving?
He may live without love, what is passion but pining?
But where is the man that can live without dining?

—*Edward Robert Bulwer Lytton*

From A Librarian's Notebook

By Ruth Galvin Thornburg, City Librarian

This library has two copies of Mona William's new book; one copy will be ready for circulation very soon. It is a small, exquisite novel written in poetry. The title is **Voices In The Dark.** I hope that reading this book will give to you, as it did to me, a sense of complete satisfaction and the feeling that it is a finished work and exactly right.

Monica Stirling's new novel is called **The Summer Of a Dormouse.** It is the story of a summer spent in a mental hospital in Switzerland. This is a Mad Tea Party all the way through, so read it on one of your more normal weekends.

Andrew Turnbull has done a sympathetic, comprehensive biography of Thomas Wolfe. So sympathetic in fact, that it sent this librarian sprinting upstairs to find a copy of Look Homeward Angel, a book Wolfe wrote while still in his twenties, a book which is today as tremendous and appealing as it was the year it was published. You will enjoy **Thomas Wolfe,** by Turnbull.

Another excellent biography is by Mary Luke and is entitled **Catherine, The Queen.** This Catherine is Catherine of Aragon, first wife to Henry VIII. The picture of Henry is most interesting for he is the young Henry, much in love with his wife and both of them much beloved by their people. The book follows Catherine from the time she came to England to marry the young Prince Arthur, until her death more than twenty years later when Anne Boleyn was Queen and already losing her hold on King Henry.

Emyln Williams has done a book about the Moors Murders, which happened in England in 1963 and for two years thereafter. At least three young people were murdered, the crimes being committed by two totally unlikely persons, Ian Bradley, a clerk, and his fiancee Myra Handley, a typist. The title of the book is **Beyond Belief, a Chronicle of Murder and It's Detection.** Mr. Williams writes plays, and acts in them, and he wrote this book pretty much in the vernacular and that makes for difficult reading although it gives a sense of authenticity. A little on the ghastly side.

Comes now a book on ESP which was written by Allen Spraggett, and boasts that it has the endorsement of Bishop Pike, Norman Vincent Peale, and Jeane Dixon. The title is **The Unexplained.** The author is Religious Editor of the Toronto Star and for many years he has been investigating various phases of parapsychology. He writes of spiritualism, healing prayer, mental telepathy, prophecy, and many other subjects, and he does it with interesting proofs of his statements.

For students of bookmaking, we have the new one by John Taylor. It is called **The Art Nouveau Book in Britain** and is itself a specimen of delightful bookmaking, as well as being an interesting discussion of books published around the beginning of the century.

MPC ENROLLMENT UP 20 PER CENT

Day students at Monterey Peninsula College have increased by 400 this spring over last year's spring semester, announced Jack Bessire, Dean of Students, recently. This is a 20 per cent jump over 1967, and over 30 per cent since the spring of 1966, he said.

Evening students have increased even more, 523 students, or 27 per cent over last spring and 46 per cent over 1967.

There are 1,272 full-time and 678 part-time, students of which 53 percent are female, and 47 per cent male, a four per cent increase of males over a year ago.

This term 388 students are new to MPC, compared with 189 new students a year ago. Almost 200 more are continuing a second year at MPC, 1,656 compared with 1,470 last spring. Returning after being out a semester or more are 196, and 166 are transfers from other colleges, compared with 132 last year.

The Dean said 50 per cent are working part-time and 10 per cent are working full-time in addition to their studies. There are 26 in the 15-17 age group, advanced placement students. There are 774 aged 18 and 19, 912 between 20 and 22, and 644 who are 23 or older.

Dean Merrill said that the record evening enrollment of 2,402 fills the school to 90 per cent of its present class room capacity. An additional 400 evening students were turned away because of lack of staff, money and space.

He said 68 per cent of those enrolled in the evening school had not been at MPC before. One fifth of those enrolled have at least a Bachelor's degree, while 30 per cent are working for an Associate in Arts degree or are planning to go on to a four-year school.

SAFEWAY MEATS
Are Consistently "BEST"
For Quality! Flavor! Value!

① **BEST FOR QUALITY**
... because all beef and lamb cuts are U.S.D.A. Choice, all Manor House poultry is U.S.D.A. Grade A. Pork, Veal and specialty items are top quality, too!

② **BEST FOR FLAVOR**
... because Safeway Beef and Lamb are aged for the maximum in flavor and the pork, veal, poultry and smoked meats are brought to you as fresh as fresh can be.

③ **BEST FOR VALUE**
... because they are consistently best for quality!

Here's what your neighbors are saying about Safeway Discount

Mrs. Dorothy Black
749 Galindo Street, Salinas
"I like the friendliness of the clerks. Safeway has a good variety and choice of groceries. They always have fresh fruits and vegetables."

Mrs. Belle Baptista
1079 Fairview Ave., Salinas
"I like the products. Their prices are always fair. I know I always get a good deal at Safeway."

Mrs. Leslie Parker
51 Beverly Drive, Salinas
"I like their prices, but I like their clerks most of all. I really save money there."

Mrs. M. C. Southerland
31 Second Street, Salinas
"It's so easy to find things in this store. Everything I buy at Safeway is lower priced and good quality."

Mrs. Effie Hunnicutt
745 Saucito Ave., Salinas
"I like their vegetables because they are always fresh. I like their prices. Their meat is always tender and flavorful. The employees are very nice."

Mrs. Eva Sansone
317 Watson Street, Monterey
"The food is good and reasonable. I can always rely on getting low prices. I think the customer should be given the discount instead of stamps."

Mrs. Lillian Kiernan
1186 Roosevelt, Monterey
"It is the lowest priced store in town. They are so courteous. I have always shopped at Safeway. I think the discount program is very good—I'm saving money."

Mrs. Aurora Orabuena
1360 Sunnyslope, Hollister
"I like to buy everything here. The prices are good—we are really getting a good buy on everyday foods. Dairy products and meats are always nice and fresh."

Mrs. Charlotte Counts
490 El Camino Paraiso, Hollister
"I like the meat because it is always fresh. They have a big choice of cuts and if I can't find what I want, the butcher will cut it for me. Also, I like Safeway because I save money there."

Mrs. Saundra Graham
519-A Pearl Street, Monterey
"Now that Safeway is discount, I find it even better to shop in, as I save money."

Mrs. Margaret Gonzales
2680 East Lake Ave., Watsonville
"It saves on my budget. The brands are good and at a reasonable price. No one rushes you."

Mrs. Dolores Magpusao
19 Las Lomas Drive, Watsonville
"The prices are lower. I come for the discount things. When feeding 10 people you have to get bargains. I like the meat. It is very fresh and they have good cuts."

Mrs. Frances Sears
148 Madera St., Watsonville
"You can always find name brands for less money. I like the clerks and the manager."

Mrs. Eileen Paine
1422 Laurent St., Santa Cruz
"I have been shopping here for years. They still have the best meat in town. Their meats are always fresh and nice."

Savoury English Pies

In spite of the pound devaluation, this Saturday at the Sunset Center we will see the Explorerama film "Merriest England", set against backgrounds of London streets and in towns and villages of the English countryside.

"Ha' Penny Pyes" have long been the rage in England, although today the ha' penny and the spelling pye are out-dated and "quaint". The English have been pie fanciers for centuries and the number of meat and fish pies consumed in the British Isles is still legion. These hearty pies differ from fruit or sweet ones, as they are served as the main dish. What could be simpler than preparing one or the other of the following authentic 'pyes' with real Stilton cheese and perhaps a cup of broth, tea or coffee before or after the showing?

English meat pies sometimes have both a bottom and top crust but usually the meat filling goes right into the baking dish with a covering crust on top.

Veal and Ham Pie

Two-½ lbs. boneless best veal, cubed; ½ lb. ham, cubed; flour, salt and pepper; ¼ cup solid all-vegetable shortening; 1 cup chicken stock or bouillon; ½ lb. mushrooms, sliced; ½ t. thyme, 2 bay leaves, 2 strips lemon peel; ½ cup milk; 2 cups sifted all-purpose flour; ¾ cup solid all-vegetable shortening; ¼ cup water; 1 egg, slightly beaten. Makes 8-10 servings. Some like it hot, warm or even cold . . . that is, room temperature, not icy.

Dredge veal and ham in flour, seasoned with salt and pepper. In heavy skillet heat shortening. Add veal and ham and saute until browned. Stir in chicken stock, mushrooms, 1 t. salt; about ½ t. pepper, thyme, bay leaves and lemon peel. Cook covered 45 minutes, stir in milk. Place a custard cup upside down in 2½ quart casserole, for convenience. Pour veal mixture into casserole around custard top. Cool.

Meanwhile, combine 2 cups flour with 1 t. salt in bowl. Cut in ¾ cup shortening until uniform and coarse. Sprinkle with water, toss with a fork and press into a ball. On a lightly floured surface, roll out pastry 1½ inches larger than casserole. Pastry should be about ¼ inch thick. Wet edges of casserole. Lift pastry onto casserole over cooled veal mixture. Fold edges and form into a roll, pressing firmly against rim of baking dish. Cut a cross in center of pastry with a knife and fold back cut edges; brush entire top with egg. Bake in 400F. oven 45 minutes, or until golden brown.

Steak and Kidney Pie

1½ lbs. beef round, 1 inch thick; 6 lamb kidneys; ¼ cup unsifted all-purpose flour; 1½ t. salt, ¼ t. ginger, ⅛ t. cinnamon; 6 bacon slices, diced; 1 t. prepared mustard; 8 small white onions; 1 can beef bouillon, undiluted; pastry for one-crust pie. Makes 6 servings.

Cut beef into 1 inch cubes. Wash kidneys, remove outer membrane and excess fat and tubes. Cut kidneys into quarters. Combine flour, salt, ginger, cinnamon; use to coat kidneys. Saute bacon in heavy skillet. Add beef and kidneys; brown well on all sides. Remove from heat. Add remaining flour mixture, mustard, onions and bouillon diluted with enough water to measure 2 cups. Part of this liquid may be sherry, brandy, lemon juice and Worcestershire to taste. Simmer, covered, 1 hour. Preheat oven to 425 F. Prepare pastry as given in first recipe. Turn beef-kidney mixture into casserole and adjust pastry over top. Make several air vents in pastry top and brush with beaten egg. Bake 45 minutes. Chopped mushrooms and parsley may also be added.

Stilton is a wonderful cheese and purely English. It is a blue vein cheese, something like mild Roquefort. Serve it with thick water biscuits and English walnuts, plus green onions on the side . . . but remember the cinema! Port is the accepted wine, but again, let's not fall asleep during the narration and viewing of "Merriest England" . . . to avoid this, why not serve forth this savory and soothing supper after the Explorerama?

Scouts Plant 1000 Pines At Jacks Peak

The reforestation of the Jacks Peak area was started Saturday when Boy Scouts of the Monterey Bay area, planted some of the 1000 Monterey pine seedlings supplied by Mrs. Violet Hatt of the Monterey Grange. The money to buy the seedlings from the State Forestry Department was raised by holding bazaars and rummage sales.

A three-acre brushy area of land belonging to Talcott Bates, adjacent to the new park area was cleared by Scouts last weekend under the direction of Frank Quadro, fire prevention officer of the Forestry Division. The Scouts will maintain and water the trees also, giving them experience in reforestration.

YOU and the STARS --- Jewel White

Aquarius (Jan. 21-Feb. 19)

Avoid family dissentions. Travel to attend to business matters. Lucky number 2.

Pisces (Feb. 20-Mar. 20)

The 18th spells PARTY. Have fun. Romantic interest, too. Your lucky number is 3.

Aries (Mar. 21-Apr. 20)

Someone will feel romantically repulsed. Back-of-scene maneuvering needed. Number 1.

Taurus (Apr. 21-May 21)

Expect something very unusual in connection with loved ones. Lucky number 11.

Gemini (May 22-June 21)

Your hunches will be best program to follow. No forceful attitude. Number 3.

Cancer (June 22-July 22)

Have fun with talented person. Give and take with helpmates. Your lucky number, 4.

Leo (July 23-Aug. 23)

Romance especially has luring prospects, but don't become involved. Lucky number 5.

Virgo (Aug. 24-Sept. 23)

Something interesting money-wise. Do not "impress the Joneses." Lucky number is 6.

Libra (Sept. 24-Oct. 23)

Delays, mechanical breakdowns. Love play prominent. Your lucky number is 9.

Scorpio (Oct. 24-Nov. 22)

Friends come in hand. Avoid speculation, Your lucky number this week is 8.

Sagittarius (Nov. 23-Dec. 21)

Go along with the tide until the 19th. Then plunge into new ideas. Lucky number 9.

Capricorn (Dec. 22-Jan. 20)

Try to feel cheerful. Some plans may turn sour. Your lucky number is 6.

Letter to the Editor

The Hon. George L. Murphy
United States Senate
Washington, D.C. 20510
Dear Senator Murphy:

After reading the lead article in todays Pine Cone and having been present at the mentioned meeting, knowing of the frustration felt by Chief Klaumann and the arresting officers, I think that you should know how at least one Carmel citizen feel (I hope others will also write you).

Our local Police force works hard and diligently to provide the protection and to enforce the laws of the land as they are hired to do by the citizens of Carmel only to have the courts invent a way to neutralize their efforts, throw away their time and the citizens money; and send the criminal, chuckling back to his trade.

True, it was a State Supreme Court ruling that set the precedent for this subject dismissal; however, as I see the rules being played much of the precedent being set is by our Federal Courts and especialy by the U.S. Supreme Court. For this reason I write you as a member of our U.S. Congress.

It has become appallingly apparent that the Courts are making it increasingly difficult for our local Police to enforce the law and to maintain the high respect they are justly due. If the Courts cannot or will not strengthen the hand of our officers then I believe that it is the duty of the Congress and the Legislatures to use their certain means to do so.

When laws become unenforceable by adverse rulings rendered on technicalities when all evidence supports conviction or law becomes meaningless by usurped legislators of the Courts these laws become the seeds of our internal destruction.

There are already a myriad of these seeds with us now, they are taking root and sprouting, it would be tragic if we become lost in this potential forrest of anarchy.

Respectfully,
W. H. Oliver, Jr.

LEGAL NOTICE LEGAL NOTICE

ORDINANCE NO. 44

AN ORDINANCE PROVIDING FOR THE INSTALLATION OF COLLECTING SEWER LINES BY INDIVIDUALS

The Board of the Carmel Sanitary District does ordain as follows:

Section 1. That a collecting line is defined as a sewer line capable of having connected thereto more than one lateral sewer. The minimum inside diameter of a collecting line is established as six inches (6").

Section 2. That an owner of real property within the Sanitary District, an agent of an owner, builder or contractor, or a licensed plumber desiring to install or to have a collecting line or lines installed, for the connection of a lateral or laterals to the Carmel Sanitary District sewage disposal system, shall submit an application in writing to the Secretary of the Board, requesting the installation of a collecting line or lines.

That a description of the property to be served by such collecting line to the Carmel Sanitary District sewer system shall be included in the application or appended thereto.

Section 3. That the application shall be submitted not less than ten days (not including Saturdays, Sundays and holidays), before the date of the regular monthly Sanitary Board meeting.

Section 4. That after the application is considered by the Board of the Carmel Sanitary District the planning design and construction shall be approved by the District Engineer and an estimate of the cost of the necessary work shall be furnished the applicant by the Board.

That whenever the cost of the necessary work is estimated by the District Engineer to exceed THIRTY-FIVE HUNDRED DOLLARS ($3,500.00) the work shall be submitted to competitive bids as established by statute from independent contractors.

Section 5. That a cash deposit to cover all district costs of work as determined by the District Engineer shall be made with the Board of the District before construction work shall be commenced.

Section 6. That all collecting lines installed shall become the absolute property of the Carmel Sanitary District.

Section 7. That the size, type, quality and location of the collecting line or lines shall be determined and specified by the Board and shall be in accordance with a reasonable master plan.

Section 8. That the work of installing shall be performed by an independent contractor under the direction of the Board.

Section 9. That within sixty days after the completion of the work, the Board shall furnish the applicant with a detailed statement of the cost of the installation.

That the Board shall refund to the applicant the difference between the estimated cost and the actual cost, if the deposit for the estimated cost exceeds the actual cost and the applicant shall pay the difference if the actual cost exceeds the amount of such deposit.

Section 10. That before the work is commenced the Board shall determine the number of laterals potentially to be served by the collecting line or lines. That the result of such determination shall be used whenever other laterals are connected to the collecting line or lines.

That thereafter when an owner of other abutting property wishes to connect a lateral to the collecting line which has been installed at the expense of the owner of the property first served, such new applicant shall pay the Board a pro rata share of the cost of the collecting line based on the number of laterals to be connected thereto. That the Board shall then refund this sum to the owner of the property first served and credited with the original construction cost less collection costs of 15%.

Section 11. That no refunds shall be made more than ten (10) years after the date the collecting line or lines have been installed.

Section 12. In the event the application requires the opening of any highway under the jurisdiction of the Division of Highways, Department of Public Works, State of California, that the applicant shall, before the work is commenced, pay to the Carmel Sanitary District a sum sufficient to pay for a bond if such is required by the Division of Highways. That this sum shall be added to the estimated cost.

Section 13. That any person violating any of the provisions of this ordinance, whether acting for himself or as the agent or servant of another person, or of a firm, company or corporation or as an officer, agent, employee or representative of any municipal corporation or of the State, shall be punishable by a fine of not less than Twenty-five dollars ($25.00), nor more than One Hundred dollars ($100.00), or by imprisonment for a term of not more than thirty (30) days, or by both such fine and imprisonment.

Section 14. That all ordinances and parts of ordinances insofar as they conflict with this ordinance are hereby repealed.

Section 15. That this ordinance shall take effect and be in force one (1) week after the date of publication.

Section 16. That this ordinance shall be published once in the Carmel Pine Cone, a newspaper of general circulation published in this district in the edition of March 14, 1968.

PASSED AND ADOPTED at a regular meeting of the Sanitary Board of the Carmel Sanitary District, held therein on the 5th day of March, 1968, at the office of said Sanitary Board by the following vote:

AYES: Members: ARNOT, FONSECA, LEWIS, PRUITT, SHEPARD
NOES: Members: NONE
ABSENT: Members: NONE

s/ J. WENTWORTH LEWIS
President of said Sanitary Board.

Countersigned:
H. C. HILBERT,
Secretary of the Board.

I, the undersigned Secretary of the Sanitary Board of the Carmel Sanitary District, do hereby certify:

That the foregoing Ordinance is a true and correct copy of Ordinance No. 44 of said Carmel Sanitary Board, which was introduced at a regular meeting of said Sanitary Board, held on the 5th day of March, 1968, and passed and adopted by said Board.

ORDINANCE NO. 43

AN ORDINANCE FIXING THE TIME, PLACE AND MANNER OF HOLDING MEETINGS AND ESTABLISHING PROCEDURE FOR CALLING SPECIAL MEETINGS, AND REPEALING ALL RESOLUTIONS IN CONFLICT THEREWITH

IT IS HEREBY ORDAINED by the members of the Board of the Carmel Sanitary District that meetings of the Board shall be held at the time, place and in the manner as set forth hereafter:

Section 1: That the time of holding regular meetings of the Board shall be the first Tuesday after the first Friday of each month at the hour of 7:30 P.M.

Section 2: That the regular meeting place is hereby designated as the Board Room on the second floor front of the Ricketts Building located on the east side of San Carlos Street between 5th and 6th Avenue, Carmel, California.

Section 3: That after any meeting of the Board has been called to order at the regular meeting place indicated heretofore, it may adjourn to some other place for the consideration of any business that may properly come before the meeting.

Section 4: That a quorum shall be composed of three members of the Board and shall have full authority to act as a board, provided that three affirmative votes shall be required for the passage and adoption of any ordinance or resolution for the engagement and termination of the services of any individual, company or corporation, or for entering into or terminating any contract, or for the approval of any bill for services rendered or materials furnished, or for approving the purchase of any services or materials.

Section 5: That provided a quorum is present, regular meetings may be adjourned to reconvene at any time (day or evening) stated in the motion of adjournment, provided that if the hour of reconvening is not stated, it shall be 7:30 P.M. of the day to which the meeting is adjourned; and provided, that if a quorum is not present at any regular meeting or any adjournment of a regular meeting, the meeting shall, without any action on the part of any Board member, be adjourned from day to day until a quorum is present.

Section 6: Special meetings shall be called by the President of the Board, or by any three members of the Board, by written notice delivered to the residence or place of business of all members at least five hours before the hour of the meeting or mailed at the Post Office in Carmel, California, at least twelve hours before the hour of the meeting, provided the written notices may be waived by attendance of all members at any special meeting. Special meetings shall be held at the regular meeting place of the Board on the day and at the hour specified in the notice calling such meetings. Only such business shall be transacted at special meetings as is stated in the notice as being the purpoe for which the meeting was called.

Section 7: That all Ordinances or parts of Ordinances in conflict herewith are repealed.

Section 8: That this Ordinance shall be published once in the Carmel Pine Cone, a newspaper of general circulation published in the District.

Section 9: That this Ordinance shall be in full force and effect one week after the date of publication.

PASSED AND ADOPTED at a regular meeting of the Sanitary Board of the Carmel Sanitary District, held therein on the 5th day of March, 1968. at the office of said Sanitary Board by the following vote:

AYES: Members: ARNOT, FONSECA, LEWIS PRUITT, SHEPARD

ORDINANCE NO. 42

AN ORDINANCE REGULATING SEWER CONSTRUCTION AND SEWAGE DISPOSAL; PROVIDING FOR THE EMPLOYMENT OF A PLUMBING INSPECTOR; PROVIDING FOR PLUMBING PERMITS AND FIXTURE FEES THEREFOR, AND PROVIDING A PENALTY FOR THE VIOLATION OF THE PROVISIONS THEREOF; REPEALING ORDINANCE NUMBER 34 AND ORDINANCES NUMBERS 10 & 12 & 14

The Board of the Carmel Sanitary District, Monterey County, California, does ordain as follows:

ARTICLE I
GENERAL PROVISIONS
Section 1.1 Rules and Regulations

The following rules and regulations respecting sewer construction and disposal of sewage and drainage of buildings, connection to the sewerage system of the Carmel Sanitary District are hereby adopted, and all work in respect thereto shall be performed as herein required and not otherwise.

Section 1.2

Pursuant to the provisions of Section 6491.1 of the Health and Safety Code, State of California, International Association of Plumbing and Mechanical Officials, Uniform Plumbing Code 1967 Edition, as modified by the amendments, deletions, and additions hereafter set forth, is adopted by the Board of the Sanitary District, and is incorporated in this Ordinance by reference.

ARTICLE II
PART ONE OF CODE ADMINISTRATION

This Ordinance shall be known as the Uniform Plumbing Code; it may be cited as such and will be referred to in this Ordinance as "The Code."

Section 1.1 page 1a of the Code entitled "Administrative Authority and Assistants" is amended to read as follows:

Section 1.1—Administrative Authority and Assistants

Whenever the term "administrative authority" is used in this Code it shall be construed to mean the Plumbing Inspector of the Carmel Sanitary District as appointed by the Board of the District, or his authorized representative.

Section 1.2, page 1a of the Code entitled "Assistants" is amended to read as follows:

Section 1.2—Assistants

Whenever the term "assistants" is used in this Code it shall be construed to mean the assistants of the Plumbing Inpector as appointed by the Board of the Carmel Sanitary District.

Section 1.3 page 1a of the Code entitled "Department Having Jurisdiction" is deleted.

Section 1.4 pages 1a and 2a of the Code entitled "Duties of the Administrative Authority" are deleted.

Section 1.7 pages 3a and 4a of the Code entitled "Violations and Penalties" are amended by deleting the first paragraph therefrom and substituting therefore the following paragraph:

Any person, firm or corporation violating any of the provisions of this Code shall be deemed guilty of a misdemeanor and upon conviction thereof shall be punishable by a fine of not to exceed $100 or by imprisonment in the County Jail for not to exceed one month, or by both such fine and imprisonment. Each separate day or any portion thereof during which any violation of the Code occurs or continues shall be deemed to constitute a separate offense, and upon conviction thereof shall be punishable as herein provided.

Section 1.10 pages 4a and 5a of the Code entitled "To Whom Permits May be Issued" sub-section (a) and (b) is amended to read as follows:

(a) No permit shall be issued to any person to do or cause to be done any plumbing or drainage work regulated by this Code, except to a person registered with the Secretary of the Board of the Carmel Sanitary District.

Section 1.13: "Schedule of Fees" at page 6a of the Code is deleted and the following substituted therefor:

Schedule of Inspection Fees

For each house sewer For each lateral sewer For each septic tank or private disposal system For each swimming pool discharging into the Sanitary District systems For each swimming pool system discharging into a dry well For each industrial waste pretreatment interceptor including its trap and vent For repair or alteration of drainage or vent piping	**Inspection fees shall be established by resolution of the Board and will be on file at the district office.**

ARTICLE III
PART TWO OF CODE

Part Two of the Code, pages 9a through 12a, entitled "QUALIFICATION OF PLUMBERS" is deleted and the following substituted therefor.

Qualification and Duties of Plumbers
Section 2.1—Registration of Plumbers

Every plumber operating, conducting and carrying on a trade or business of, or performing plumbing work in the District must have a license therefor issued by the Contractors State License Board of the State of California and shall register his name, age and place of business with the Secretary of the Board, and pay to said Secretary a fee therefor amounting to $10.00 per calendar year or portion thereof. It shall not be lawful for any person to carry on, conduct or operate in the trade or business of plumbing in the District unless he is a plumber registered as herein provided, and has filed a copy of insurance carried as set forth in Section 2.3.

Section 2.2—Insurance

The plumber shall carry public liability and property damage insurance to protect himself and the Carmel Sanitary District, its officers or agents, against liability imposed by law for damages on account of bodily injury including resulting death therefrom, suffered or alleged to have been suffered by any person or persons, other than employess of said plumber resulting directly or indirectly from the performance or execution of the work, and also to protect the Sanitary District, its officers, employees or agents, against loss from liability imposed by law or damage to any property caused directly or indirectly by the installation of any lateral sewers.

Said public liability and property damage insurance shall be maintained by the plumber in full force and effect during the entire performance of the work in amounts not less than the following:

(1) Limit of Liability for injury or accidental death:

One person	$100,000.00
One accident	200,000.00

(2) Limit of Liability for property damage:

One accident	$25,000.00
Aggregate liability for loss	50,000.00

Section 2.3—Workmen's Compensation

The plumber shall maintain adequate workmen's compensation insurance under the laws of the State of California for all labor employed by him or by any subcontractor under him who may come within the protection of such workmen's compensation laws and shall provide where applicable employers general liability insurance for the benefit of his employees and employees of any subcontractor under him not protected by such compensation laws.

Section 2.4—Street Opening

The plumber shall obtain the necessary bond and permit, for opening streets or for encroachments in streets, required by the City or the County and shall comply with existing city and county regulations regarding backfill, paving or repaving.

Section 2.5—Responsibility for Defects and Guarantee of the Work Performed

All plumbers shall be held strictly responsible for any and all acts of agents or employees done under this Ordinance by virtue of his or their registration, Upon being notified by the plumbing inspector of any defect arising therefrom in the plumbing system of a building or of any violation of this Ordinance, the person or persons having charge of said work shall immediately correct the same.

The plumber shall warrant and guarantee to correct any defects in an installed lateral sewer line, public sewer line or connection to a public sewer line for a period of one year after completion.

Section 2.6—Insurance and Bond Certificates

The plumber shall provide proof of insurance and street opening bonds by submission of a certificate satisfactory to the District Board, prior to the commencement of any work.

Section 2.7—Registration Exclusive

Any registered plumber lending his registration certificate to any person or persons or taking out permits in his or their names at the office of the District Secretary for the use of any person or persons not regularly registered or who does not comply in every way with the requirements of this Ordinance shall have his or their permit suspended and revoked.

ARTICLE IV
CHAPTER I OF CODE

Chapter I of the Code, pages 1 through 11, entitled "Definitions" is amended by adding to the definition of "Biulding Sewer". . . . The building sewer is made up of the House Sewer and Lateral Sewer, hereinafter defined:

House Sewer is that portion of the building sewer beginning at the plumbing or drainage outlets of any buildings and running to the property line; and

Lateral Sewer is the projection of the house sewer within a public street or sanitary district easement; and by adding:

Outside Sewer is a private sewer or beyond the limits of the District.

Collecting Sewer—A sewer having two or more house sewers connected thereto; and having a minimum inside diameter of 6 inches.

and by deleting the definition of "Public Sewer" and "Main Sewer" and substituting therefor:

Public Sewer—A sewer accepted by the District within a public street or easement acquired for sewer purposes by the Sanitary District.

ARTICLE V
CHAPTER 3 OF CODE

Section 319, page 31 of the Code entitled "Maintenance" is amended by the addition thereto of the following:

Maintenance of building sewers is the sole responsibility of the property owner.

The plumber shall report to the Sanitary District whenever he discovers any stoppage in the Public sewers. The District will remove said stoppage without cost to the property owners.

The plumber shall not use power tools in cleaning building sewers except with the approval and under the supervision of the General Manager of the Sanitary District.

ARTICLE VII
BUILDING SEWERS AND PRIVATE DISPOSAL SYSTEMS

Section 1101, page 83 of the Code entitled "Sewer Required" is amended by deleting Section 1101 and substituting the following:

(a) Every building in which plumbing fixtures are installed, shall have a connection to a public sewer or private disposal system.

(b) This Ordinance is not applicable to the construction of a public sewer where the public sewer must be extended to the premises to be served.

(c) A special permit from the Board of Directors of the Sanitary District is required for the construction of private disposal systems. Methods and materials used in the construction of private disposal system will be in accordance with applicable sections of the Code. No license is granted thereby and no nuisance or hazard to health is permitted.

(d) On every lot or premises hereafter connected to a public sewer, all plumbing and drainage systems or parts thereof, on such lot or premises shall be connected with such public sewer.

Section 1102, pages 83 and 84 of the Code entitled "Damage to Public Sewer or Private Sewage Disposal System" is amended by deleting paragraph (b) and substituting therefor:

(b) No roof leaders, rain, surface or subsurface water shall be connected to or discharged into any public sewer.

Section 304, page 23 is deleted and the following substituted therefor:

No roof leaders, rain, surface or subsurface water shall be connected to or discharged into any public sewer.

Section 1103, page 84 of the Code entitled "Building Sewer Materials" is amended by deleting paragraphs (a) and (b) and substituting the following therefor:

(a) House sewers and lateral sewers shall be constructed of one of the following materials conforming to the specifications of **"Table A—Plumbing Material Standards"** as shown on pages 20, 21 and 22 of the Code or as shown in this paragraph:

(1) Cast iron sewer pipe or water pipe with lead or synthetic rubber ring points.

(2) Asbestos cement sewer pipe or water pipe with synthetic rubber ring joints.

(3) Clay sewer pipe with watertight grease resistant flexible compression joints.

(b) Joining methods shall be as prescribed in Chapter 8 of the Code for the pipe material used.

(c) Connections between two different types of piping materials and connection to the public sewer shall be in accordance with the details prepared by the District Engineer on file with the Building Inspector.

Section 1105, page 84 of the Code, entitled "Size of Building Sewers" is deleted and the following substituted therefor.

Section 1105—Size of Building Sewers

The minimum size of any building sewer shall be determined on the basis of the total number of fixture units drained by such sewer in accordance with Table No. 4-3, but in any event the minimum size shall not be less than 4-inches inside diameter.

Chapter 11 of the Code is further amended by delecting Section 1107 (e) and substituting therefor "All Cleanouts shall be made accessible by concrete yard boxes, with a removable cover. The cover may be cast iron or concrete and the cover shall have permanent lettering cast into its surface as follows: "CO" or "CLEANOUT" or, "SEWER." The entire assembly shall have adequate strength to resist applied loads."

Section 1120—Wye Branch and House Trap

Every house sewer shall end in a wye branch connecting to the lateral sewer; the wye shall be brought to ground level or installed with a yard box and be closed by a plug to be available as a cleanout.

A cast iron house trap must be placed on the house side of the cleanout. It shall be installed in a level position or at such location approved in advance by the building inspector. The vent riser for such trap shall be carried above ground level at least 4-inches, but to a height not higher than the trap of the lowest fixture attached to the building drains. The cap of the house trap vent shall not be sealed. In cases where the house trap vent cannot be placed below the lowest house fixture because of the topography, or the inability to obtain a minimum fall of one-fourth (¼) inch per foot of the house sewer, or where other unusual conditions exist as determined by the Inspector then an accessible backwater trap or other overflow device approved by the Inspector shall be installed in lieu of a house trap; backwater valves shall not be buried.

Section 1121—Lateral Sewer Connection to Collecting Sewer.

Section 1121 (a)—Application for Installation of Wye Connection. An owner of real property, the agent of an owner, a builder or a plumber registered with the board desiring to have a lateral sewer installed, repaired, or replaced, re-located or removed, shall make application to the Plumbing Inspector to have the work done. The District will install a wye fitting in the collecting sewer.

The application shall be in writing and shall correctly describe by lot and block or metes and bounds the property to be connected.

At the time of making an application the applicant shall designate the plumber duly registered by the District to arrange the work. 24 hours advance notice in writing shall be given the District of the time the connection is desired; however, the ultimate determination of the time is to be made by the District.

The application shall be accompanied by a check payable to the Carmel Sanitary District, for the proper amount computed in accordance with the schedule in Section 1121 (b).

Section 1121 (b)—Inspection Fee and Costs. The price schedule for the installation of the wye payable at the time the application is submitted is as follows.

Lateral Nominal Size	Collecting Sewer Size	Cost
4	6	**Cost Shall be Established by resolution of the Board and will be on file at the district office.**
4	8	
4	10	
6	6	
6	8	
6	10	

In the event a wye connection cannot be installed then the district Superintendent will istall a saddle or other suitable device and the cost thereof will be determined by the District.

Section 1121 (c)—Duties of Plumber During the Operation. The plumber laying the lateral shall be responsible for traffic control and public safety of the operation of installing the wye connection, and shall be responsible for complete excavating, shoring, if required, backfilling and repaving as required by the public agency at the location of the proposed wye connection.

The connection of the lateral to wye will be made by the plumber using the rubber sleeve and stainless steel compression bands furnished by the District.

In the event the plumber uses a lateral with a smaller outside diameter than vitrified clay pipe it shall be his responsibility to use bushing of adequate size to complete the connection to the satisfaction of the Building Inspector.

An employee of the District shall be present at the time the connection is made.

ARTICLE VIII
CHAPTER 12 of CODE

Chapter 12 of the Code entitled "Fuel Gas Piping" pages 99 and 112 inclusive, is deleted.

ARTICLE IX
CHAPTER 13 OF CODE

Chapter 13 of the Code entitled "Water Heater and Vents" pages 113 to 124 inclusive is deleted.

ARTICLE X
APPENDICES

Appendix A of the Code entitled "Recommended Rules for Sizing the Water Supply System" pages 127 to 137 inclusive is deleted.

Appendix D of the Code entitled "Rainwater Systems" pages 144 to 148 inclusive is deleted.

Appendix F of the Code entitled "Medium Pressure Gas Piping Systems," pages 155 to 157 inclusive is deleted.

ARTICLE XI

Copies of the "Uniform Plumbing Code" 1967 edition and of this Code are available at all times at the office of the Board of the Sanitary District on the east side of San Carlos Street between 5th and 6th Avenues, Carmel, Monterey County, California.

ARTICLE XII

Section 1—This Ordinance repeals and supersedes Ordinances 34, 10, 12 and 14. All other Ordinances and parts of Ordinances insofar as they conflict with this Ordinance are hereby repealed.

Section 2—This Ordinance shall be entered in the minutes of the Sanitary Board, shall be published once in the Carmel Pine Cone, a newspaper published in said District, and shall take effect upon the expiration of the week of such publication.

Passed and adopted at a regular meeting of the Sanitary Board of the Carmel Sanitary District, duly held on the 5th day of March, 1968, by the following vote:

AYES: Members: and in favor thereof, ARNOT, FONSECA, LEWIS, PRUITT, SHEPARD
NOES: Members: NONE
ABSENT: Members: NONE

s/ J. WENTWORTH LEWIS,
President of said Sanitary Board.

Countersigned:
H. C. HILBERT,
Secretary.

I, the undersigned Secretary of the Sanitary Board of the Carmel Sanitary District, do hereby certify:

That the foregoing Ordinance is a true and correct copy of Ordinance No. 42 of said Sanitary Board, which was introduced at a regular meeting of said Sanitary Board held on the 5th day of March, 1968, at 7:30 P. M. and passed and adopted by said Board.

ATTEST: H. C. HILBERT,
Secretary of said Sanitary Board.

CARMEL PINE CONE OFFICE
DOLORES & 8th

Mac Dougall King photo

The Mark Thomas Inn management recently gave a "Sadie Hawkins Day" party to introduce its new honeymoon suite. Guests were entertained in the President's House and taken in groups to see the suite, recently completed. Rudolph's of Monterey did the interior design, with James Rockey N.S.I.D., in charge.

Guests were asked to name the new suite, with the winner being given a night at the Mark Thomas Inn—dinner, champagne, an overnight stay in the honeymoon suite and breakfast in the suite.

Shown in the new suite are, from left, seated, Dave Rudolph, Mrs. Harriet Meyers, Secretary of All Saints' Church, Carmel, and standing, James Rockey, N.S.I.D., head of Rudolph's commercial department.

LEGAL NOTICE LEGAL NOTICE

ORDINANCE NO. 161 C.S.

AN ORDINANCE PROVIDING FOR THE ABATEMENT AND REMOVAL AS PUBLIC NUISANCES OF ABANDONED, WRECKED, DISMANTLED OR INOPERATIVE VEHICLES OR PARTS THEREOF FROM PRIVATE PROPERTY OR PUBLIC PROPERTY NOT INCLUDING HIGHWAYS AND RECOVERY OF COSTS OF ADMINISTATION THEREOF AS AUTHORIZED BY SECTION 22660 VEHICLE CODE

THE CITY COUNCIL OF THE CITY OF CARMEL-BY-THE-SEA DOES ORDAIN AS FOLLOWS:

Section 1. That Part IV of the Municipal Code is amended by the addition of a new Division, "Division 14—**Abandoned Automobiles,"** as set forth in Exhibit A hereto.

Section 2. Effective Date. This Ordinance shall become effective thirty (30) days after its final passage and adoption.

PASSED AND ADOPTED by the City Council of the City of Carmel-By-The-Sea, this 6th day of March, 1968.

Certification of City Clerk

I, HUGH BAYLESS, the undersigned, City Clerk of the City of Carmel-by-the-Sea, California, do hereby certify that the foregoing is a true and correct copy of Ordinance No. 161 C.S., which was given its First Reading at an Adjourned Regular Meeting of said City Council on the 14th day of February, 1968, and finally adopted at a Regular Meeting of the said Council on the 6th day of March, 1968.

I further certify that upon its passage the foregoing Ordinance was signed by the Mayor of said City and attested by the City Clerk thereof.

DATED this 11th day of March, 1968.

HUGH BAYLESS, City Clerk

Date of Publication: March 14, 1968

EXHIBIT "A"

DIVISION 14. ABANDONED AUTOMOBILES

697. Accumulation Declared A Nuisance.

697. In addition to and in accordance with the determination made and the authority granted by the State of California under Section 22660 of the Vehicle Code to remove abandoned, wrecked, dismantled, or inoperative vehicles or parts thereof as public nuisances, the City Council hereby makes the following findings and declarations.

The accumulation and storage of abandoned, wrecked, dismantled, or inoperative vehicles or parts thereof on private or public property not including highways is hereby found to create a condition tending to reduce the value of private property, to promote blight and deterioration, to invite plundering, to create fire hazards, to constitute an attractive nuisance creating a hazard to the health and safety of minors, to create a harborage for rodents and insects and to be injurious to the health, safety and general welfare. Therefore the presence of an abandoned, wrecked, dismantled or inoperative vehicle or part thereof, on private or public property not including highways, except as expressly hereinafter permitted, is hereby declared to constitute a public nuisance which may be abated as such in accordance with the provisions of this Code.

697.1 Definitions.

As used in this Ordinance:

(a) The term "vehicle" means a device by which any person or property may be propelled, moved, or drawn upon a highway, except a device moved by human power or used exclusively upon stationary rails or tracks.

(b) The term "highway" means a way or place of whatever nature, publicly maintained and open to the use of the public for purposes of vehicular travel. Highway includes street.

(c) The term "public property" does not include "highway."

697.2 Exclusions

This Ordinance shall not apply to:

(a) A vehicle or part thereof which is completely enclosed within a building in a lawful manner where it is not visible from the street or other public or private property; or

(b) A vehicle or part thereof which is stored or parked in a lawful manner on private property, when such storage or parking is necessary to the operation of a lawfully conducted business or commercial enterprise.

Nothing in this section shall authorize the maintenance of a public or private nuisance as defined under provisions of law other than Chapter 10 (commencing with Section 22650) of Division 11 of the Vehicle Code and this Division.

697.31 Division Supplements other Laws.

This Division is not the exclusive regulation of abandoned, wrecked, dismantled or inoperative vehicles within the City. It shall supplement and be in addition to the other regulatory codes, statutes, and ordinances heretofore or hereafter enacted by the City, the State, or any other legal entity or agency having jurisdiction.

697.32 Police Chief Enforces.

Except as otherwise provided herein, the provisions of this Division shall be administered and enforced by the Chief of Police. In the enforcement of this Division such officer and his deputies may enter upon private or public property to examine a vehicle or parts thereof, or obtain information as to the identity of a vehicle and to remove or cause the removal of a vehicle or part thereof declared to be a nuisance pursuant to this Division.

697.33 Contractor's Rights.

When the City Council has contracted with or granted a franchise to any person or persons, such person or persons shall be authorized to enter upon private property or public property to remove or cause the removal of a vehicle or parts thereof declared to be a nuisance pursuant to this Division.

697.34 Administrative Costs.

The City Council shall, from time to time, determine and fix an amount to be assessed as administrative costs (excluding the actual cost of removal of any vehicle or part thereof under this Division).

697.35 Public Hearing.

A public hearing shall be held on the question of abatement and removal of the vehicle or part thereof as an abandoned, wrecked, dismantled or inoperative vehicle and the assessment of the administrative costs and the cost of removal of the vehicle or part thereof against the property on which it is located. Notice of hearing shall be mailed at least ten days before the hearing by certified mail, with a five-day return requested, to the owner of the land as shown on the last equalized assessment roll and to the last registered and legal owner of record unless the vehicle is in such condition that identification numbers are not available to determine ownership. If any of the foregoing notices are returned undelivered by the United States Post Office, the hearing shall be continued to a date not less than ten days from the date of such return.

697.36 Notice of Hearing.

Notice of hearing shall also be given to the California Highway Patrol identifying the vehicle or part thereof proposed for removal, such notice to be mailed at least ten days prior to the public hearing.

697.37 Hearing Body.

All hearings under this Division shall be held before the City Council, which shall hear all facts and testimony it deems pertinent. Said facts and testimony may include testimony on the condition of the vehicle or part thereof and the circumstances concerning its location on the said private property or public property. The hearing body shall not be limited by the technical rules of evidence. The owner of the land on which the vehicle is located may appear in person at the hearing or present a written statement in time for consideration at the hearing, and deny responsibility for the presence of the vehicle on the land, with his reasons for such denial.

The hearing body may impose such conditions and take such other action as it deems appropriate under the circumstances to carry out the purpose of this Division. It may delay the time for removal of the vehicle or part thereof if, in its opinion, the circumstances justify it. At the conclusion of the public hearing, the hearing body may find that a vehicle or part thereof has been abandoned, wrecked, dismantled, or is inoperative on private or public property and order the same removed from the property as a public nuisance and disposed of as hereinafter provided and determine the administrative consts and the cost of removal to be charged against the owner of the parcel of land on which the vehicle or part thereof is located. The owner requiring removal shall include a description of the vehicle or part thereof and the correct identification number and license number of the vehicle, if available at the site.

If it is determined at the hearing that the vehicle was placed on the land without the consent of the land owner and that he has not subsequently acquiesced in its presence, the hearing body shall not assess costs of adminitrative or removal of the vehicle againt the property upon which the vehicle is located or otherwise attempt to collect such costs from such land owner.

If an interested party makes a written presentation to the hearing body, but does not appear, he shall be notified in writing of the decision.

697.41 Decisions Final.

Any decision of the City Council under this Division shall be final and not subject to appeal.

697.42 Disposal of Vehicle.

Five days after adoption of the order declaring the vehicle or parts thereof to be a public nuisance, or five days from the date of mailing of notice of the decision if such notice is required by Section 696.37, the vehicles or parts thereof may be disposed of by removal to a scrapyard or automobile dismantler's yard. After a vehicle has been removed it shall not thereafter be reconstructed or made operable.

697.43 Notice.

Within five days after the date of removal of the vehicle or part thereof, notice shall be given to the Department of Motor Vehicles identifying the vehicle or part thereof removed. At the same time there shall be transmitted to the Department of Motor Vehicles any evidence of registration available, including registration certificates, certificates of title and license plates.

697.44 Costs Assessed.

If the administrative costs and the cost of removal, which are charged against the owner of a parcel of land pursuant to Section 696.37, are not paid within thirty (30) days of the date of the order, or the final disposition of an appeal therefrom, such costs shall be assessed against the parcel of land pursuant to Section 38773.5 of the Government Code and shall be transmitted to the tax collector for collection. Said assessment shall have the same priority as other city taxes.

MARKET COMMENTARY

A free lecture course on investment fundamentals will be offered Monday evenings, March 18, 25 and April 1 at the Monterey office of Dean Witter & Co., 750 Del Monte Center.

Topics for the three part lecture series will include basic investment principles, stock market functions, and sound investment practices.

Account Executive David A. Kweder, who is registered with the New York Stock Exchange, will present the lectures at 7:30 p.m. each evening.

Open to the public, reservations for the series should be made by phoniing 373-1861 or writing the Dean Witter office.

Dora Hagemeyer, Poetry Editor

LUNAR ORBITER

And now these pictures by remote control!
How, televised, that pocked old-new frontier,
The waxing-waning moon, seems to approach
Incredibly closer with the orbiting
Cameras of earth's automaton;
Milestone in a seven-league-booted race
Of giants. Wondering where next? and how soon?
Surmise takes off for space as if by jet
While implication stirs imagining . . .
Pretended passengers, we scan our screens,
Armchair explorers all and soaring with
The robot today—tomorrow the astronaut.

William A. Farner, Res. 624-2425 — Jean Crane, Res. 624-3045
Ocean Avenue and Mission — Carmel P.O. Box 2068

SHORT walk to the beach, EASY walk to town are bonus features of this appealing one-bedroom home, located on a sunny level lot, south of Ocean Ave. Two steps from the delightful garden takes you into the attractive wood-paneled living room with beamed ceiling and fireplace, dinette, sparkling kitchen with stove, refrigerator and laundry with washer. The roomy bedroom will accomodate twin beds. The immaculate condition and LOW maintenance combine to make this a buyer's GEM. Exclusive at $31,500.

DRAMATIC MEDITERRANEAN HOME—A subtle conversion to modern living maintains the grace and beauty of this older Carmel home, situated on over two lots in a garden setting reminiscent of the old days, replete with a high enclosed stone wall. Under the tiled roof are two bedrooms upstairs, off master bedroom is a den with cozy fireplace and balcony with ocean view. A gracious living room, separate dining room, modern kitchen, large bedroom and bath complete the main living area. The double garage with studio room and bath makes this Carmel dream house come true for $87,500.

Lines From Lois

THAT QUAINT STORYBOOK CHARM
ON A TUCKAWAY CARMEL STREET
$32,500 FIRM PRICE
It's a grandmother's house, with an apartment and a room rental when the grandchildren aren't home; or it's a home for a couple who needs a separate studio; or it's a wonderful weekender with or without a rent-paying caretaker. In the Palou-North Casanova area. Delightful.

THE CARMEL IDEAL
2 BEDROOMS, 2 BATHS, DINING ROOM
$39,500 FIRM PRICE
And all located in that great "south of Ocean Avenue" location near 12th and Lincoln. This is a newer house with that old Carmel charm—brick in quantity, trees, completely fenced yard, paneled, papered and wainscoted, fully equipped as to appliances—a trouble-free home. (You locals—it's a "Pat North Home"—need we say more?)

RANCHO RIO VISTA
GREAT VALLEY PANORAMA BELOW
$59,500
People who live in Rancho Rio Vista think it's the only place to be on the Monterey Peninsula. A quiet area of custom-built homes on acre or larger lots, splendid views, proximity to shopping and schools. This house has rustic exterior triple shake roof, 2 bedrooms, 2 baths, a hobby room with partial bath, a paneled and papered interior—nearly 3000 square feet. Probably YOU should see it.

THE "NEW WAY" IN RETIREMENT
And at the reasonable price of only $24,500! This is one of the nicest Hacienda Carmel units we've seen—2 bedrooms, 2 baths, carpeted—and, of course, all the fun facilities of this sunny retirement community. Mothly charge of $15(includes taxes and all maintenance in addition to all the privileges of the community. Investigate.

BEAUTIFULLY APPOINTED & METICULOUSLY MAINTAINED: Truly an exceptional home exemplifying livability in an ideal location LEVEL walking distance from Ocean Avenue. Built of long-lasting rough-sawn redwood combined with a heavy shake roof and recently painted a soft driftwood grey, this inviting home features an interior with many imposing details: quality carpeting in nearly every room and custom-made draperies; off-white living room with open ceiling, fireplace with gas logs and alcove suitable for reading or accommodating a spinet or organ; separate dining room with window seat; kitchen completely equipped with matching appliances; two carpeted bedrooms with louvered closet doors; two luxurious baths; a LARGE sunroom with access to a sheltered brick patio. Super-sized garage with electric door provides laundry space . . . washer and dryer included. Seclusion is achieved by fence-enclosed garden areas planted with varieties of mature blossoming shrubs. Realistic Dollar Value is easily apparent in price of $54,750. Exclusive listing.

EARLY CARMEL CHARM ON CHOICE CORNER SITE: Authentic "Old World" atmosphere pervades this spacious family home south of Ocean Avenue. Emphasis is on the attractive living room with handcrafted stairway leading to a study-bedroom and bath, but none of the modern requirements for a contemporary kitchen have been overlooked. Bedroom wing includes three rooms and two baths. Stone walks and retaining walls combine with shrubbery to make a delightful setting. Excellent Value at $55,000.

Citizens' Committee Studies Library Expansion Plans

Editor's Note: *Admiral C. W. Fisher, president of the Carmel Citizen's Committee, released to the Pine Cone a copy of its letter to the Board of Trustees of the Harrison Memorial Library. It deals with the problem of expansion for the library. As we all know, talk has been heard of using more of Sunset Center for the library, constructing a Children's Library on the Girl Scout property at 6th and Lincoln; and even building a library on the North Playground at Sunset. Admiral Fisher and the Citizen's Committee have come up with another possible solution after careful evaluation. Following is a reprint of the Admiral's letter to the Library Board.*

March 8, 1968

The Board of Trustees
Harrison Memorial Library
P.O. Box 800, Carmel.

Gentlemen,

The Board of Directors of the CARMEL CITIZENS COMMITTEE submits the following thoughts in response to your letter of Feb. 19, 1968 asking the advice of the citizens regarding the problems confronting the library.

The need for more space is recognized to accommodate the gradual increase in the files of back papers and periodicals as well as the accessions of books. It should be remembered, however, that the population of Carmel-by-the-Sea, which the Library primarily serves, has not increased appreciably in the past 5 years or more. Carmel Unincorporated now has more residents than Carmel proper. We feel that any major Library expansion to serve the large and rapidly growing outside population would not be justified unless they pay their share of the cost of expansion and operation, by annexation or otherwise.

The present Harrison Memorial Library building, set in its charming little park, is not only an architectural gem, but a sentimental Carmel landmark. Whatever may be done to improve the library service, this building with its friendly fireplace in the reading room and its lovely setting should on no account be disturbed.

A first step in expansion in the near future might be, in our opinion, the acquisition of the adjacent properties East of the present building, — Kramer's dress shop fronting on Ocean Avenue, and the building fronting on 6th Avenue which houses the Kenneth Wood real estate office and the Little Swiss Cafe. The Kramer building has a tile roof and is otherwise in harmony with the Library Building. Walls should be pierced for internal communication between buildings as needed. The upper floor of one of these buildings might well be used for library offices and the "behind the scenes" work. Until most or all of Carmel Unincorpated becomes annexed to Carmel we feel such use of existing buildings, rented or bought, to be preferable to any major new construction.

FINANCES: The report "Endowment Funds" shows, as of Dec. 31, 1967, Total Assets amounting to $269,348-.13. This evidently does not include the value of the Library building itself, not its contents, nor the land it occupies, nor the Girl Scouts lot at 6th and Lincoln. Interest on $270,000.00 at 5 per cent is $13,500.00 per annum. The "Income Account" of this report shows $5,738.39 for the last 6 months of 1967, which is at the rate of $477.78 a year. This fund of nearly $270,000, is made up as follows: Adney Fund $29,588.60; Austin James fund $175,423.61; and H. M. Tolfree fund $64,335.92. Matching Federal or State funds might be available for acquisition of neighboring buildings and not be limited to new construction. If so, existing capital would go a long way towards lease/purchase of adjacent buildings. Also it is not unreasonable to expect further bequests in the future.

PARKING: We feel the Girl Scouts lot could well be used for parking for the next few years or until a highly profitable offer for its purchase is received.

STUDENTS. We are informed that when the Public School library closes in the afternoon there is an influx of boys and girls. Adult patrons have complained of the resulting noise and confusion. If it be not practicable for the School District library to stay open longer and meet the other student needs, it would appear equitable for the School District to provide or pay for the additional personnel that may be needed to correct any such conditions and assist the students as well as to maintain decorum.

STORAGE. We see no objection to using unoccupied space at Sunset Center for storage, etc., until such time as more suitable space becomes available, or Sunset requires the area for its own purposes.

FUTURE. When the Carmel area becomes politically unified we will have a community of some 15,000 to 20,000. One small library will eventually be insufficient. Subject to analysis by library experts, two library buildings may be the solution, rather than one large structure. We say; retain the present Library building, expanded or not, and erect another in a location that will best serve the enlarged community. Whether this new structure or the Library on Ocean Avenue be called the Main Library and the other the Branch Library is immaterial. The important thing is to preserve the existing Harrison Memorial Library building and its setting.

The area eventually to be served will probably extend from Carmel Woods on the North to Carmel Point on the South, and from Carmel Knolls on the East to the Pacific Ocean on the West. Accessibility, availability of land, parking and cost all will require careful exhaustive study. This planning for the future should enlist the participation of the City Council, the Planning Commission and all citizens.

Respectfully
CARMEL CITIZENS COMMITTEE
By C. W. Fisher, President

Theatre Review

(Continued from page 2)

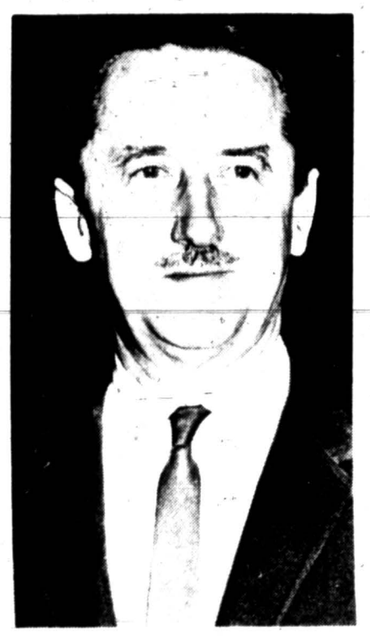
pelling, comedy. Dustin Hoffman is excellent in the title role. Anne Bancroft is extremely good as the woman who seduces him and Katharine Ross is attractive as her daughter with whom Hoffman falls in love. The picture argues that all over 30 are dishonest, corrupt and unthinking.

* * *

IN COLD BLOOD, gripping, authentic follow-up to Truman Capote's literate study of two killers who commit a senseless, multiple murder. Richard Brooks' direction draws the performance from newcomers, Robert Blake and Scott Wilson, and evocative detail from settings.

* * *

JUNGLE BOOK, the full length cartoon version of Rudyard Kipling's stories about a boy raised in the jungle by the animals. Excellent animation and characterization, complimented by top notch cast of voices in this Walt Disney production.



Orin H. Moore has recently joined the real estate department of Del Monte Properties Company after a career in defense and business. His offices are in the new headquarters at 498 Calle Principal in Monterey. Following early years in Wisconsin and Tennessee, Mr. Moore received his college education at West Point and National Service schools, including The Industrial College of the Armed Forces in Washington, D.C. The Moores, who make their home in Carmel, came to the Monterey Peninsula last fall from Pasadena. Their two children, Larry, and daughter Marilyn, Mrs. Joseph McKennon, live in Los Angeles.

Sun Life Assurance Company celebrated its opening of their new office on Ocean Avenue and Mission Street in Carmel. (lr) William Jackson, local branch manager, Sun Life; H. H. Hughson, manager of Bank of California, Monterey; Lloyd Bentley, branch manager of Northern California, Sun Life.

Talcott Vows Action

Congressman Burt L. Talcott (California, 12th District) today voiced deep concern over the widening scope of obscene material that is being sent through the mail.

Mr. Talcott said, "Since the first of the year I have received numerous complaints from residents of the 12th Congressional District about the pornographic and obscene material that they are receiving through the mails.

"While I try to remain open-minded on most matters, I cannot tolerate this peddling of smut through the mails.

"I have importuned the Postmaster General and I have called upon the Attorney General to use his authority to stop this type of mail.

Lively Sun Life

Sun Life Assurance Company of Canada entertained its local policy holders, officers and staff of the Peninsula, banks and other dignitaries in honor of opening of its new offices in Carmel.

Covering the three counties of Monterey, Santa Cruz, and San Luis Obispo, it outgrew its two previous offices to locate on the corner of Ocean Avenue and Mission Street, above the Mediterranean Market.

Sun Life should give "cause to praise" to the prestigidous U.S. life companies. Its measure of public acceptance can be tallied by counting its three million policy holders in the U.S. with over 3.5 billion dollar business in force. Founded in 1865, it is the biggest life insurance company in Canada and 12th largest in the world.
